Spring Term 2023 Friday 3rd March

Learning to Live

Living to Love

Loving to Learn

Parent/Carer consultations—Monday 6th and Tuesday 7th March

Next week we will be holding our parent consultations in school and this is an excellent opportunity for you to discuss your child's learning so please make every effort to attend. Please make sure you have booked your slot online with your child's class teachers on Monday or Tuesday. It is difficult for them to accommodate slots outside of these times due to their teaching and training commitments before and after school. We would also be extremely grateful if you could remain mindful of the ten-minute time slot. Parents and carers of children with a POP should have already met with their child's Class Teacher this half term or have made arrangements to do so. This is to ensure that enough time is given to discuss any additional needs your child may have. Please contact your child's Class Teacher if you feel you require a follow up appointment. Thanks for your continued support.

Staff Appointment

We are pleased to be able to announce that we have recently appointed Miss Hannah Norton to cover Mrs Snook's maternity leave. Miss Norton will commence her role after the Easter holiday on Monday 17th April. She will be attending school on several occasions prior to her start to ensure a smooth transition. We look forward to welcoming her into our school community.

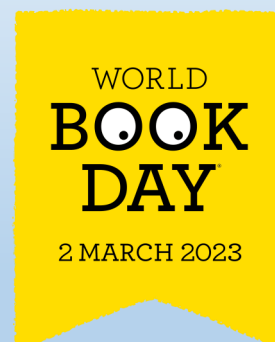

Y4 High Adventure Parent Meeting

The Year 4 residential to High Adventure is approaching fast and with this in mind we have arranged a meeting for parents on **Tuesday 21st March at 3.45pm** in school. Emma Hughes from High Adventure will be coming to discuss the details and any questions that you might have. Following this meeting we will be sending out the final arrangements and kit list. If you have any questions in the meantime, then please do email the school office. Please make payment on ParentPay before the end of this half term.

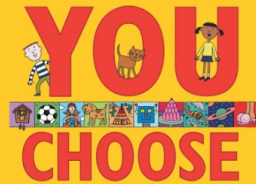

Library Visits

We will be visiting the library in Cross Hills again on Monday 6th March. Children who filled in forms to sign up to the library will receive their cards during their visit. **Children who already have a library card, please bring this on your visit day.** Year Five, year One and Year Four will be visiting on the 6th March.

World Book Day

The whole school worked together to create a story on World Book Day. It was based on the picture book 'You Choose' and each class contributed to the story by sharing their amazing ideas. It is great to see the progression from EYFS through to KS2 and the children created a great story!

You Choose

Written by Kildwick CE Primary School
on World Book Day 2023

Robins:

Once upon a time there was a girl called Honey. She lived in Kildwick near a school. She lived with her dog, her Grandma and her Dad. Honey had lots of friends. Her best friends were Santa, the King, Little Red Riding Hood and her dog called Harry Potter. Honey had always wanted to go to a fun fair.

Swallows:

Honey lived in a colossal, multicoloured spaceship. Inside her house there was a large disco ball and a fun bouncy castle. There was also a chocolate water fountain and a football table that Honey loved to play with. Honey loved to go on adventures but she didn't travel in a usual way! Honey borrowed Santa's sleigh and Rudolph the red nosed reindeer.

Kingfishers:

Honey and her dad got on to the sleigh. While she was on the glossy, enchanting sleigh with lots of presents on, her tummy started to rumble loudly. Slowly, as her tummy got louder and louder, her smooth hand reached into a little cupboard on the sleigh and she grabbed a lovely, brown chocolate cake from the back. "Creak!" the sleigh loudly groaned as she reached. As messily as a dog, she gobbled up the cake before the reindeer could have any. After that, she looked like a chocolate cake herself. Around her neck, she wore a shimmering scarf because it was so cold in the sky. She also wore a knitted hat and a thick coat which had a rainbow on that she got for her birthday.

Owls:

Honey landed her sleigh in Daisy Meadows where there were several pet shops. Honey asked her Dad, "Please can we get another pet Dad, or two, or maybe three?" Honey's dad thought and thought. Soon after he said, "You can as long as you can look after them yourself."

Honey visited every kind of pet store (big and small) she could find. Finally, she chose a magnificent lion that could tango, a scaly, glistening dragon and a coal black and snow white horse. After she had picked, Honey used her bright pink credit card to buy them all.

The very next day, Honey took up horse riding on the new horse which she named Chloe. Riding made her as happy as someone with a house made of gingerbread. Luckily, her dad got a job at a nearby zoo where her lion could be kept safely. Honey visited daily and told her lion, "I miss you but since you ate Little Red Riding Hood, you must stay here!" Her fiery red dragon lived in a cave on the side of a hill that had a giant invisibility cloak over the entrance - Honey simply pulled it back when visiting on her sleigh.

Eagles:

After a hard few days looking after her many new pets, Honey decided that it was time for some fun. This time with the favourite of her pets - her dog, Harry Potter. Honey had had Harry Potter (HP for short) since she was a little girl and loved him with all of her heart.

One of her favourite past times to do with HP was taking part in a game of table tennis. Honey would let Harry Potter start the game and he would serve the ball to her with enthusiasm and power. He was the current world champion in the dog league of table tennis, but didn't like to brag about it.

Once the game was over, which Harry Potter obviously won, Honey decided to take the sleigh to the fun fair because she had always wanted to go.

When she arrived at the fun fair, her eyes were immediately drawn to a thrilling ride at the other side of the park. She dashed over to the ride and jumped on; luckily, there was no queue. Once the ride had finished, she was hungry so decided to get something to eat. Honey had a feast. She consumed: candyfloss, a hot dog and a pepperoni pizza.

Honey was exhausted (and incredibly full!). It was time to head home on Santa's super sleigh; she was so grateful to have been able to borrow her friend's transport. She must remember to thank him when she next sees him.

Honey arrived home and Harry Potter sprinted over to greet her. He was filled with excitement to see her and jumped up into her arms. Because she had already eaten, she went straight up to her bedroom. She leapt onto the bottom bunk of her bright-pink wooden bunk bed. There was only one animal allowed on the top bunk: Harry Potter!

Honey and Harry Potter fell asleep as soon as their heads touched the pillows - what a busy few days!

The End

EYFS / KS1 Mosque Visit

This half term children in Robins and Swallows will be visiting the Hanfia Mosque, Carlisle Road, Bradford. Our visit will take place on **Wednesday 22nd March** within school time. Children should come to school in uniform and should arrive at school no later than 8:45am. All children will be back to have lunch as normal in school.

As a voluntary controlled school our RE curriculum is at least 2/3rds Christianity. The Statement of Entitlement also says that pupils should show an informed and respectful attitude to religions and world views in their search for God and meaning, and that they should engage in meaningful and informed dialogue with those of other faiths and none.

Core Value Awards

Robins	<i>Learning to Live — Iona V</i> <i>Living to Love — Ibrahim</i> <i>Loving to Learn — Isla</i>
Swallows	<i>Learning to Live — Dexter J</i> <i>Living to Love — Ella</i> <i>Loving to Learn — George</i>
Kingfishers	<i>Learning to Live — Lawrence</i> <i>Living to Love — Harvey</i> <i>Loving to Learn — Anise</i>
Owls	<i>Learning to Live — Matheo</i> <i>Living to Love — Parisa</i> <i>Loving to Learn — Isla</i>
Eagles	<i>Learning to Live — Miles</i> <i>Living to Love — Amelia</i> <i>Loving to Learn — Juliet</i>

School clubs next week

Monday	Kanga—all ages
Tuesday	Band—Y2 upwards
Wednesday	Running Club
Thursday	Cookery EYFS / KS1/KS2

Our end of half term newsletter will be
Friday 31st March 2023
