

Kildwick Chronicle

Autumn Term 2026

Friday 11th September

Learning to Live

Living to Love

Loving to Learn

Welcome to the New School Year!

And just like that, we're back! It has been lovely to see the children return and to welcome our new Reception children into school. They have settled in so well already, and it has been particularly special to see our Year 6 children looking after their new Reception buddies. They have taken their responsibilities seriously and have shown such kindness and care, they are set to become fantastic role models.

A very warm welcome to all our new families, and welcome back to everyone who is returning. The staff have worked hard over the summer to get everything ready, and we're all looking forward to another busy and happy year at Kildwick.

As always, we want to make sure that our children have lots of opportunities to learn, grow and experience things beyond the classroom. Personal development remains an important part of school life, and we'll continue to provide a wide range of activities, visits and experiences throughout the year. We'll always try to give you as much notice as we can, although occasionally we have to work around the availability of outside providers and other organisations.

There is no doubt that we are a busy school – but that's one of the things that makes Kildwick such a special place! Please do take the time to read the weekly newsletter as this is one of the main ways that we will keep you up to date with what is happening in school and what is coming up.

Our staff training day on Monday was a really useful start to the year. We spent time updating our safeguarding knowledge, particularly relating to Benedict's Law, which is a set of national protections designed to improve allergy safety in schools. We also spent valuable time looking at the writing curriculum, working memory and staff wellbeing, all important areas in our School Development Plan. It was a good opportunity to reflect, prepare and get ourselves ready for the year ahead.

As always, we ask that we work together as a school community. We all want the very best for your children, and by working positively together we can help them to grow in confidence, independence and kindness.

We're really looking forward to another great year at Kildwick

Key Stage 2 Write For You

This year we had 7 weeks off school so it was exciting to see all our friends back in school and meet our new teachers Mrs Fordham, Mrs Henderson and Mrs Fenlan.

I am now in year six so I have a buddy we will have lots of fun together going on trips, having lunch with each other and so much more.

I can't wait for all the fun to come in year six like going to London, the residential and in year six we get lots of responsibilities and have so much fun. - Alice

WELCOME
BACK TO
SCHOOL

Macmillan Coffee Afternoon ☕🍰

We would love to welcome parents and carers to our **Macmillan Coffee Afternoon on Friday 25th September from 3pm**. It would be lovely to see as many of you as possible for a cuppa, cake and a chat, while raising money for a fantastic cause.

Donations of cakes and biscuits would be very welcome. If you are able to send something in, please make sure that **a full list of ingredients is included** so that we can safely cater for children with allergies. Just a reminder that we are an **allergy-aware school** and appreciate your support in helping us keep everyone safe.

Did your child complete the Summer reading challenge?

Send the office a photo of your child with their certificate, or completed reading log and we would love to celebrate them in school!

Look out for more reading related events and challenges soon!

School Photographer Monday 14th September

The school photographer will be visiting on Monday 14th September to take individual and year group photos.

Please ensure that all children come to school in full school uniform on this day. Even if your child normally has PE on this date, they should still come in uniform and do not need to bring their PE kit.

Thank you for your support in helping us make sure everyone looks their best for school photos!

Swimming - Owls Class

Swimming will commence on Thursday September 17th from 2pm for Owls Class. From this term, we will be using a new swimming provider, Aqua Academy in Cross Hills. This change means that we will be able to walk to the pool, which not only makes the lessons more affordable for families but also reduces travel time.

School Uniform Reminder

Last year, we had a large number of school uniform items go missing and remain unclaimed. Unfortunately, we are already finding unnamed items this term.

Please could we ask all families to check uniform items over the weekend and ensure that everything is clearly labelled. This doesn't need to be a fancy label — a permanent marker with your child's initials is perfectly fine!

To help return lost items more easily, staff will be adding names to any unnamed uniform they come across.

We understand that school uniform is a significant expense, and it's important that children take responsibility for their belongings so lost items can be returned quickly.

Please also note that there is *no requirement* for children to wear branded or logoed uniform. As long as they are wearing a blue jumper or cardigan, that is absolutely fine. We recognise the financial pressure that uniform costs can bring and want to reassure families that logoed items are not compulsory.

Don't forget — we have a large selection of pre-loved uniform in school that is clean, good quality, and ready to be used. Please get in touch if you'd like to access this.

Book bags - a quick reminder:

Children in Reception to Year 5 should only bring a school book bag. We do not have the space in school for storing large rucksacks. Bringing a rucksack is a privilege reserved for Year 6 children only.

Thank you for your continued support in helping us reduce lost property and make uniform more accessible for all families.

SEND at Kildwick

Each week, this section focuses on SEN (Special Educational Needs), and we encourage all parents to read it. The strategies and tips shared can help every child. Learning about different needs also helps parents support and educate their children to understand and appreciate their friends, peers, and the wider community.

Hello and a huge welcome back to school from the SEN Team at Kildwick!

As we begin the new school year, we would like to start by introducing ourselves and reminding you who we are.

Miss Akrigg is our SENCo and is out of class on Thursdays and Fridays to lead and coordinate SEND provision across the school.

We are also delighted to share that Mrs Carpenter has recently qualified as a SENCo—huge congratulations to her! Alongside Miss Akrigg, Mrs Carpenter will the strategic leadership and development of SEND provision across the school.

Mrs Kingham is our out-of-class teacher who provides additional and targeted support for children with EHCPs and those on the SEND register, alongside her other responsibilities within school.

Miss Wardley is our Pastoral and Welfare Lead and supports children with their social, emotional and mental health needs, helping to ensure every child feels safe, happy and ready to learn.

We are also incredibly fortunate to work alongside Claire Ashton, an external consultant from ADys, who is an expert in all aspects of SEND. Claire supports our team in keeping our knowledge and practice up to date, enabling us to provide the very best support for our children.

At Kildwick, we pride ourselves on being an inclusive school, and it is important to emphasise that every adult in our school is a teacher of children with SEND. Supporting all learners is a shared responsibility, and we work together to ensure every child has the opportunity to thrive.

Above all, we are here to do the same job as you: to care for your children and help them navigate their educational journey. We value the partnership we have with our families because we are in this together, and we look forward to working with you throughout the 2026–2027 school year.

Messy Harvest Church - Robins and Swallows

On Friday 16th October at 2:00pm, Robins and Swallows classes will be going to church for another Messy Church activity. Parents and carers are warmly invited to join us for some Harvest crafting activities.

This will be a fun way to celebrate Harvest. We look forward to welcoming you then!

Come Back to School! – Join Your Child in the Classroom

We're excited to invite you into school on the following dates to spend time learning alongside your child! These sessions are a fantastic opportunity to see how children are taught in school, experience some of the activities they take part in, and be a part of their learning journey.

Please note - These some of these sessions will take place in year groups, not individual classes — so please check the dates carefully to make sure you attend the right session. We look forward to welcoming you into school or church and sharing this special learning experience with you and your child!

All sessions will start at 2pm, unless stated:

Reception - Messy Church Friday 16th October

Year One - Messy Church Friday 16th October

Year Two - Messy Church Friday 16th October

Year Three - TBC

Year Four - TBC

Year Five - TBC

Year Six - 5th October from 9am in school

Term Dates

Term dates have now been fixed for the academic year 2027-28 and these along with term dates for the academic year 2026-27 can be found [here](#).
A reminder that school is closed for teacher training on Friday 23rd October.

Home-School Communication

At Kildwick, we believe that positive relationships between home and school are at the heart of helping our children thrive. Our Home-School Communication Policy sets out some simple expectations for everyone, helping us to communicate openly, respectfully and in a way that reflects our Christian vision of **Learning to Live, Living to Love and Loving to Learn**. We know that parents and carers sometimes need to contact us with questions, worries or concerns, and we will always do our best to listen and respond. Equally, we ask that communication with our staff remains polite and respectful, recognising that we are all working together for the same reason, to give our children the very best experience at school. To help staff manage communication alongside their teaching and other responsibilities, we aim to **acknowledge emails within three working days and provide a full response within five working days**, wherever possible. Thank you for helping us to maintain the warm, respectful and supportive relationships that are so important to our school community. The full policy can be accessed [here](#).

Home School
Communication

Bringing Things into School

To help keep classrooms calm, focused and ready for learning, children should only bring items into school that are needed for the school day, unless something has been agreed in advance with their class teacher.

Toys, fidgets and other items from home can sometimes cause disagreements, distractions and take valuable time away from learning. Fidget or sensory resources will be provided by school where they are needed to support a child's learning.

Please also make sure that belongings children do need in school, particularly water bottles, coats and other equipment, are clearly named. This helps us return lost items quickly. Thank you for helping us keep learning time focused and belongings safe.

Benedict's Law – Keeping Children Safe

You may have heard the term 'Benedict's Law' recently. From September 2026, new requirements will strengthen the way schools manage allergies and support children who are at risk of a serious allergic reaction.

The aim is simple, to make sure that children with allergies are as safe as possible while they are in school.

At Kildwick, we already take allergies very seriously and have procedures in place to support children with allergies, including individual healthcare plans and arrangements for emergency medication such as adrenaline auto-injectors.

The new requirements will help to strengthen and bring consistency to these arrangements. We will continue to work closely with parents and carers to make sure we have up-to-date information about your child's allergies, medication and any changes to their needs.

If your child has an allergy, please make sure that we know about it and that any medication held in school is in date. If there have been any changes to your child's allergy, treatment or emergency medication, please let us know as soon as possible.

Our priority is, as always, to make Kildwick a safe, caring and inclusive place for every child.

Please take a moment to read and digest our updated policy [here](#).

Robins messages

Welcome to our lovely new reception children who have settled into school so well! Our year one children have been amazing role models too!

Our PE day is Tuesday and Forest School is Wednesday. Please make sure you have appropriate outdoor clothing and wellies for a Wednesday.

Swallows messages

Children will have forest schools on a Wednesday and PE on a Thursday. Please can children wear PE kits on both days.

Please note the rec can get muddy so please consider the clothing / shoes your child is wearing. Please feel free to send a named pair of wellies to keep at school. Thank you.

Kingfishers messages

In KS2, children are encouraged to bring a fruit or vegetable snack to eat at break time if they are likely to be hungry in between arriving at school and lunchtime.

Children will be doing PE on Wednesdays and Thursdays. Please send your child in PE kit on these days.

Owls messages

In KS2, children are encouraged to bring a fruit or vegetable snack to eat at break time if they are likely to be hungry in between arriving at school and lunchtime.

Children will be doing PE on Wednesdays and Thursdays (swimming). Please send your child in PE kit on these days.

Eagles messages

Children need to come to school wearing PE kits on Wednesdays and Fridays.

Please see separate communications regarding the London trip on Monday 21st September to make sure you are aware of arrangements.

You are invited to a meeting about the residential to Bewerley Park on Thursday 1st October at 3.30pm

School Office Messages

A reminder that extra curricular clubs do not run on the first or last week of half term (other than Karate).

Please ensure you check Arbor for any upcoming trips so that we have consent in plenty of time.

Governor Meetings and Updates 26/27

Governors will be meeting on the following dates:

6 October 2026

8 December 2026

2 February 2027

18 March 2027

25 May 2027

29 June 2027

For information about the work of the governing body, including the school strategic development plan please click [here](#)

Zones of Regulation

At Kildwick, we use the Zones of Regulation to help children understand their emotions and learn how to manage them. It is a simple approach that groups different feelings and levels of energy into four coloured zones – Blue, Green, Yellow and Red.

Children learn to recognise which zone they are in and begin to understand what their body and emotions might be telling them. Importantly, there are no 'good' or 'bad' zones – all feelings are okay.

We help children build a toolkit of strategies they can use when they need help to feel calm, regulated and ready to learn. Using the same language at home and at school can make it much easier for children to recognise, name and talk about their feelings.

Each week, we will share a simple Zones of Regulation Top Tip in this section of the newsletter that you can try at home.

Instead of asking “*What’s wrong?*”, try asking “Which zone are you in?” It can give children a much easier starting point for telling you how they feel.

Top Tip for Spirituality

Spirituality doesn't have to be about religion—it's about taking time to reflect, notice, and be present. This is important in our busy everyday world because it helps us manage stress, make thoughtful choices, and feel more connected to ourselves and others.

Top Tip: Try a 'wonder moment' together. Ask your child, "What made you say 'wow' today?" It could be something they learnt, something beautiful they saw, or a kind act they noticed. Wonder helps children develop curiosity and appreciation for the world around them.

Extra Curricular Clubs

At Kildwick, we are very proud of our extra-curricular offer. Clubs give children the chance to try something new, develop their interests, learn new skills and have fun with friends.

This half term's clubs are listed below. Please note that not all clubs run in the first and last week of each half term, so check the newsletter each week for updates.

We want every child to have the opportunity to take part. If you feel there are any barriers to your child attending a club, please speak to Miss Akrigg. We will do all we can to make sure your child is included and involved.

Monday	<u>EYFS/KS1 & Y3</u> - Dance with Firehouse <u>KS2</u> - Running with Mr Whitehead (finishes 4.20pm) <u>KS2</u> - Coding Club with Ms Kent
Tuesday	<u>KS2</u> - Music with Mr Schofield <u>EYFS/KS1</u> - Construction with Miss Taylor
Wednesday	<u>EYFS/KS1 & KS2</u> - Art with Launchpad
Thursday	<u>EYFS/KS1/KS2</u> - Cookery with Donna and Miss Taylor <u>EYFS/KS1</u> - Skipping Club with Ms Kent
Friday	<u>EYFS/KS1/KS2</u> - Football with Launchpad

Attendance Matters – Every Day Counts

Pupil attendance at Kildwick this year stands at 95.6%. This is above both the local authority average (95.3%) and national average (95%). However, attendance remains below the median of our 20 statistically similar schools (96.6%).

We want every child to have the very best opportunity to succeed, and the single biggest factor in achieving this is being in school, on time, every day.

Excellent attendance helps children build strong friendships, develop confidence and make the most of every learning opportunity. Even a few missed days can have a significant impact on a child's progress over the course of a year.

We would like to thank all families who work hard to ensure their children attend school regularly. If your child is well enough to attend, we encourage them to be in school every day.

Please also remember:

- **Children should arrive on time each morning.** Being even a few minutes late means children can miss important learning, class routines and opportunities to settle into the day.
- **Term-time holidays should be avoided.** Holidays taken during term time disrupt learning and friendships, and in most cases cannot be authorised under government guidance.

By working together, we can help every child enjoy school and achieve their full potential. Thank you for your continued support in making attendance a priority for every child.

Robins	<i>This week we have awarded our new Reception superstars a special certificate for completing their first week at school. Well done everyone!</i>
Swallows	Learning to Live — Billy Living to Love — Jemima Loving to Learn — Harry
Kingfishers	Learning to Live — Arley Living to Love — Amar Loving to Learn — Arthur
Owls	Learning to Live — Hari Living to Love — Mia Loving to Learn — Isla B
Eagles	Learning to Live — Ettie Living to Love — Alice Loving to Learn — Dexter J

As we begin a new school year, we are excited to start working towards our Kildwick Certificate of Excellence.

Our aim is for every child to work towards achieving all three of our special certificates throughout the year:

Learning to Live • Living to Love • Loving to Learn

When a child has achieved all three certificates, they will receive their Kildwick Certificate of Excellence during Collective Worship. This is a very special achievement which recognises children who are truly living out our Kildwick vision and demonstrating our school values.

Each week, we will celebrate the children who have achieved all three certificates here in our newsletter, so keep an eye out for their names!

Children who achieve their Kildwick Certificate of Excellence will also receive a special reward at the end of the half term.

We can't wait to celebrate lots of children as they work towards achieving all three this year!

Houses and House Points

At Kildwick, every child belongs to one of our six school houses, each representing one of our important school values: Peace • Friendship • Trust • Respect • Forgiveness • Courage. Children with siblings in school will be placed in the same house.

Throughout the school day, children can earn house points when we see them putting our values into action – through the way they learn, behave, help others and contribute to school life.

Our house system helps children understand what our values look like in everyday life, rather than them simply being words. Children will also come together for house activities and challenges linked to the value their house represents.

We look forward to seeing our children living out our Kildwick values and earning lots of house points along the way! ★

GRACE NOTES

Children's Community Choir

What is Grace Notes?
Grace Notes is a relaxed and fun setting where children can enjoy music making, learn about singing, and prepare songs for local and national events. We meet on Wednesdays from 4:30pm - 5:30pm.

How do I get involved?
You can sign up at any time by contacting Geoffrey Whittall. Organist and Director of Music on geoffrey.whittall@trurodiocese.org.uk

What are the benefits?
• Receive free singing and music tuition as part of rehearsals
• Become a more confident singer and have lots of fun
• Have a chance to audition for the Cathedral Choir
• Make new friends with other children from all across Bradford

But am I good enough?
Of course! Grace Notes is open to every child who has a passion for singing and wants to enjoy themselves.

Wild Explorers

Where nature, fun and adventure collide!
A child-led, fun and nurturing holiday club set in beautiful woodland on the Broughton Estate.

We are an OFSTED registered outdoor holiday club where children can play, enjoy a campfire, woodland crafts, tools and much more!
