Explore Your Senses

Mrs Wilkinson was successful in winning this Balance and Movement Sensory Tub from Explore Your Senses. It is now available to our pupils in our Regulation Station. Well done Mrs Wilkinson and thank you to Explore Your Senses.

School Photographer

Just a reminder that the photographer will be in on Monday—details as previous correspondence.

Weather and clothing

It has been great to have the warmer weather this week. Could we please send a polite reminder regarding uniform. Children can wear summer dresses and shorts / skirts with a blue / white polo shirt. Please ensure that footwear is appropriate as per the uniform policy and not open toed.

Buddy trip

On Monday 10th July the Year Six and Reception buddies will be celebrating their time together over this past year. In previous years we have taken the children on a trip to the seaside. However, we are mindful that with the current cost of living situation it is too much to ask parents to pay for another trip this year. On this basis Mrs Fordham and Miss Akrigg have planned some surprise activities on the Rec. The planned treats and activities will be funded by the PTA. We are very proud of the children and the buddy relationships and hope they will enjoy their afternoon of celebrations. Children do not need to bring a packed lunch on this date, all refreshments and food will be provided. **Reception and Year 6 children may come to school in non-uniform on Monday 10th July - their clothing should be bright, fun, cheerful and ready to celebrate!**

Pride

On Friday 23rd June we will be celebrating pride month with the children. They will spend the afternoon in their houses doing related activities.

Children are welcome to come to school wearing their house colour. If children do not know the colour of their house they can ask their Class teacher

In school the children are taught about 'Protected Characteristics'. It is against the law to discriminate against anyone because of:

- age*
- being married or in a civil partnership*
- being pregnant or on maternity leave*
- disability*
- race including colour, nationality, ethnic or national origin*
- religion or belief*
- sex*
- sexual orientation*

The aim of teaching children about Pride in school is to be more inclusive, and to give LGBTQ+ children the representation they need to feel safe and supported in society.

We will be learning more about Pride and the history of Pride. The children will choose one of the 20 Pride flags to create and form part of the bunting which will be used at the village Pride event in August.

After supporting a family since September with hospital liaison and desensitisation we are pleased to announce that one of our anxious young people was able to access their endoscopy - well done!

We were at the WACA Primary Care Network SEN coffee morning at Settle College and Carers Week 2023 at Carers Resource in Skipton. Don't forget our service is open to all children with a Learning Disability in Craven including those attending mainstream schools.
