Summer Term 2023 Friday 19th May

Learning to Live

Living to Love

Loving to Learn

Warm Weather

It is great that the weather is getting warmer, please ensure that all children have a water bottle in school. The water bottle should be clearly named. Children should come to school wearing sunscreen, where possible this should be sunscreen which does not need to be reapplied during the school day. If your child does need to bring sunscreen to school to 'top up', it should be clearly labelled but, as you can imagine, staff are unable to apply sunscreen to 30 children throughout the day. A polite reminder to label jumpers and cardigans as children will be taking these off when warm. Clothing is the responsibility of the children and we encourage them to take care of their own belongings and look for them independently when lost. Thanks for your continued support.

Please see the latest update from our governing body on our website [here](#).

Kildwick Fell Race—Wednesday 7th June

Mr Whitehead is the organiser for the Kildwick Fell race and this year it will take place on the **7th June**. There will be a full set of races open to all children (not just children from our school) aged 6 and over, starting from 6.30pm. I will be sending all parents details and registration forms in book bags and via email over the coming weeks. These need to be filled in and brought to registration at the **White Lion** on the night. Registration will open at 5.30pm. The adult race will start at 7.30pm, is 3.5 miles and will be fully flagged and marshalled. It would be brilliant if we could get some of our running parents racing again this year. It is a great route and I would be happy to show any prospective parents the race route. Please get in touch if you would like to know further details. The PTA will be serving refreshments and any help with this would be appreciated. If you would like to support with marshalling the fell races, then please do get in touch with the school office. Thanks.

Year Six Careers Fair

On Monday 26th June, Year Six are holding a Careers Fair. We're looking for any volunteers who would be able to come into school to talk to the children about their job. The event will run from 9.30am-10.30, with our volunteers arriving from 9.15am to set up their stand.

Participants will have a table in the hall and the children will move around the stalls asking questions and finding out about what you do. Feel free to bring a presentation or props to help explain how you do your job.

Please contact the office if you are able to help us with this event and inspire our Year Six pupils. Our Careers Fair is always a great success and it is so interesting to hear about what you do. Feel free to share this with friends and family - especially if they have a very exciting career!

Decorating help in school

We are hoping to decorate Class 2 Swallows over the summer months and to help us cut costs we are asking if there are any willing parents / carers / friends that could spare some of their time to help. Experience would be an advantage but not essential. This would involve preparing the room and painting. Someone with joinery skills would be amazing! We have not set a date/s for this to happen but it would very much depend on availability and the number of helpers volunteering.

Book Bags—Next year we will be requesting that all children from reception to year five bring only a book bag to school. We are giving advanced warning before parents purchase new bags for the next academic year. Unfortunately we do not have the room in school for large rucksack type bags. Children are only required to bring learning packs and a water bottle each day, these items fit easily into book bags. If you do not have a book bag for your child and are unable to finance one please let us know and school will source a book bag for you. Children with a packed lunch can bring an additional small lunch bag which will be stored on our packed lunch trolley. Year 6 children can bring a bag of their choice, they have a larger cloakroom area to store their bags.

Please ensure that your child has a named water bottle in school each day.

Grow a Pound

Thank you to everyone who is getting on board with this initiative. The children (and parents) have come up with some great ideas and have already started growing their pounds. Some of these are pictured below and I will feature all of those that send in photos. If you are struggling for ideas, we have listed some below and many more can be found online.

The children have been asked to do something with the £1 to generate more money for school. All the money raised will be used to purchase reading books, new ICT equipment and improve our play-ground.

In addition to raising much needed funds for school, this initiative also gives children an insight into how business works and helps them to build skills for the future, such as team working, problem solving, leadership, money management and creativity. It also supports children in their learning in key elements of the National Curriculum.

Children can work on their own or in a group, they can take a 'loan' if needed and offered by parents, but this money must be taken out of the profits and paid back before the end of the challenge.

To further support the children with their ventures, we will have a 'market place' every Friday from 3:30pm to 3:45pm (starting 12th May). Children can use this opportunity to sell goods and services to their peers. They can use any profit to buy more resources for the following week and increase their stock. We will also be offering advertising space on the weekly Chronicle. Children can design an advertisement to give to the office to scan and add.

The challenge will run from Friday 28th April until Friday 9th June.

If your child doesn't wish to participate please return the £1.

There will be a prize for the child/group that 'grow' their pound the HIGHEST and the most original ideas!

Some ideas might be...

- Buy a sponge and some washing up liquid and offer to clean your neighbours' cars - £2 a go?
- Buy some ingredients and make some cakes or biscuits for friends and family – 50p each? Then use the money made to buy more ingredients – and so on!
- Make up a sponsorship form and do something interesting; sponsored skip, goal-scoring, hop, sing, silence – unleash your talents – 50p a minute?
- Buy some gardening gloves and do some weeding for your neighbours, friends and family - £2 per flower bed
- Buy someone in your house some flowers and offer to do the housework - £1.50 for all the Hoovering?
- Fill a jar with £1 worth of sweets, charge people to guess how many sweets are in the jar.

Bring "grown" funds back to school by Friday 9th June.

HAPPY GROWING!

Market Place Ventures

Y6 Residential Meeting—Monday 5th June

There will be a meeting to discuss the Y6 residential to Bewerley Park on Monday 5th June at 430pm in school. An email has been sent with a kit list and a Google Form.

Reception Graduation!

On Tuesday 11th July at 2pm, Reception children will be celebrating finishing their Early Years Foundation Stage ready to start year one in September. Parents and Carers are invited into school to share memories of the past year and celebrate all that the children have achieved in their first year at school. This event will take place in the school hall, due to the size of the hall we are only able to allow two adults per child.

Summer Fair -30th June 2023

We are currently in the process of organising the Summer Fair. We would like to have lots of 'preloved' stalls. If you would like your own stall to sell on your preloved items please let Mrs Wilkinson know. A great opportunity to raise some extra money for Summer holiday treats!

A small donation to the Summer Fair funds would be optional.

Preloved Uniform

We will be selling all preloved uniform at the Summer Fair. Please donate any items you have to Mrs Parker via the school office. This can include all items of uniform, coats and year 6 book bags.

Help needed!

If you can help organise or set up at the school fair please let us know! There is a PTA WhatsApp group you can be added to. We would also welcome any ideas for things to help the children have an amazing time!
