Summer Term 2023 Friday 21st April

Learning to Live

Living to Love

Loving to Learn

Dear Parents / Carers

Welcome back to school for the start of the summer term. I trust you have all had a refreshing Easter break and managed to have some time to relax with family and friends. We have lots of exciting learning opportunities planned over the course of the term. Please take the time to read the contents of this newsletter, paying particular attention to the dates section which may be added to each week.

As ever, thanks for your continued support.  
Mr Whitehead

## Congratulations

Mrs Snook gave birth to a baby boy on Thursday 6th April. Harry Jordan Snook weighed 6lb 14oz and is doing well, as is his mum.

Many congratulations to Mr and Mrs Snook

## Grow a Pound

Over the next week, the school council will be visiting each class to discuss our next fundraising initiative called 'Grow a Pound'. The PTA have kindly donated the money to start it off. The idea is that each child will bring home £1 and think of ways of making it grow. An email detailing the initiative, along with ideas, will be sent out next week. All money raised will be used to purchase reading books, new ICT equipment and improve our playground

## The Brownlee Triathlon

We have been allocated 45 places for Key Stage 2 children to attend the Brownlee Triathlon Event on Tuesday 16th May 2023 at Bradford Grammar School. It is a non competitive event, designed to be fun and inclusive. The event will give the children the opportunity to try the disciplines of swimming, cycling and running. Bikes, helmets and swimming caps will be provided and every child will receive a t-shirt, medal and goody bag. All children must be able to swim. The distances are swim 50m, cycle 800m and run 300m. Less confident swimmers will be able to swim in the shallow end of the pool and can use floats if required. Children who cannot ride a bike will be provided with a scooter. If you would like your child to take part, please complete the [Google Form](#)

**Book Bags**—Next year we will be requesting that all children from reception to year five bring only a book bag to school. We are giving advanced warning before parents purchase new bags for the next academic year. Unfortunately we do not have the room in school for large rucksack type bags. Children are only required to bring learning packs and a water bottle each day, these items fit easily into book bags. If you do not have a book bag for your child and are unable to finance one please let us know and school will source a book bag for you. Children with a packed lunch can bring an additional small lunch bag which will be stored on our packed lunch trolley. Year 6 children can bring a bag of their choice, they have a larger cloakroom area to store their bags.

Please ensure that your child has a named water bottle in school each day.

### Kildwick Fell Race—Wednesday 7th June

Mr Whitehead is organiser for the Kildwick Fell race and this year it will take place on the 7<sup>th</sup> June. There will be a full set of races open to all children (not just children from our school) aged 6 and over starting from 6.30pm. I will be sending all parents details and registration forms in book bags and via email over the coming weeks. These need to be filled in and brought to registration at the **White Lion** on the night. Registration will open at 5.30pm. The adult race will start at 7.30pm, is 3.5 miles and will be fully flagged and marshalled. I would be happy to show any prospective running parents the race route. Please get in touch to arrange a mutually convenient time. The PTA will be serving refreshments and any help with this would be appreciated. If you would like to support with marshalling the fell races, then please do get in touch with the school office. Thanks.

### Reading Wise

Children in Reception, year one and some year two children have been given a login for this scheme. A Department for Education study found that Reading Wise increased reading ages by 9.5 months in one term. **Please note that children will need to spend at least 20 hours on this programme.** Some children will spend time on Reading Wise in school but all children will benefit from support at home to access this intervention. This will be an opportunity to spend time reinforcing their phonic learning through repetition. Please find further information at <https://readingwise.com/mission-and-values/>

We appreciate that children are not always as motivated at home as they are in school. We will be keeping a check on children who spend time on Reading Wise and giving them praise and feedback in school. Reading is our main priority in school and this is a simple way to help you support your child's phonic learning. You can access Reading Wise via a browser <https://app.readingwise.com/> Reading Wise is not available as an app but can be accessed via a browser on phones, tablets and laptops. Your child's login details have been sent home.

Should you have any further questions please do not hesitate to contact your child's Class Teacher.

### Coronation celebration

There will be a number of activities taking place on Friday 5th May in celebration of the upcoming coronation of King Charles.

- There will be a coronation dinner available to all children
- Parents / Carers & Friends are invited to come to school to judge the Union Jack competition and join the festivities.
- Children are invited to take part in a competition 'The union Jack'. Their competition entries could be represented in any medium and any format. For example: a painting, a cake or cookies / buns, a crown, bunting, flags, kites and much more
- Each child will be given some bunting to decorate and return to school so we can decorate the front of school.

### School clubs next week

<b>Monday</b>	Kanga—all Key Stages
<b>Tuesday</b>	Band—Y2 Upwards
<b>Wednesday</b>	Running Club / KS2 Girls Football
<b>Thursday</b>	Cooking—EYFS / KS1

You will receive an email at the beginning of next week to confirm places at clubs.

### Medication in School

If you need to send medication to school with your child please make sure you have completed our Instruction & Authorisation for the Administration of Medicine in School [Form](#) before you arrive at school with the medication. This is for prescribed medication only, we are unable to administer paracetamol or ibuprofen.

The [form](#) can also be found on our [website](#).

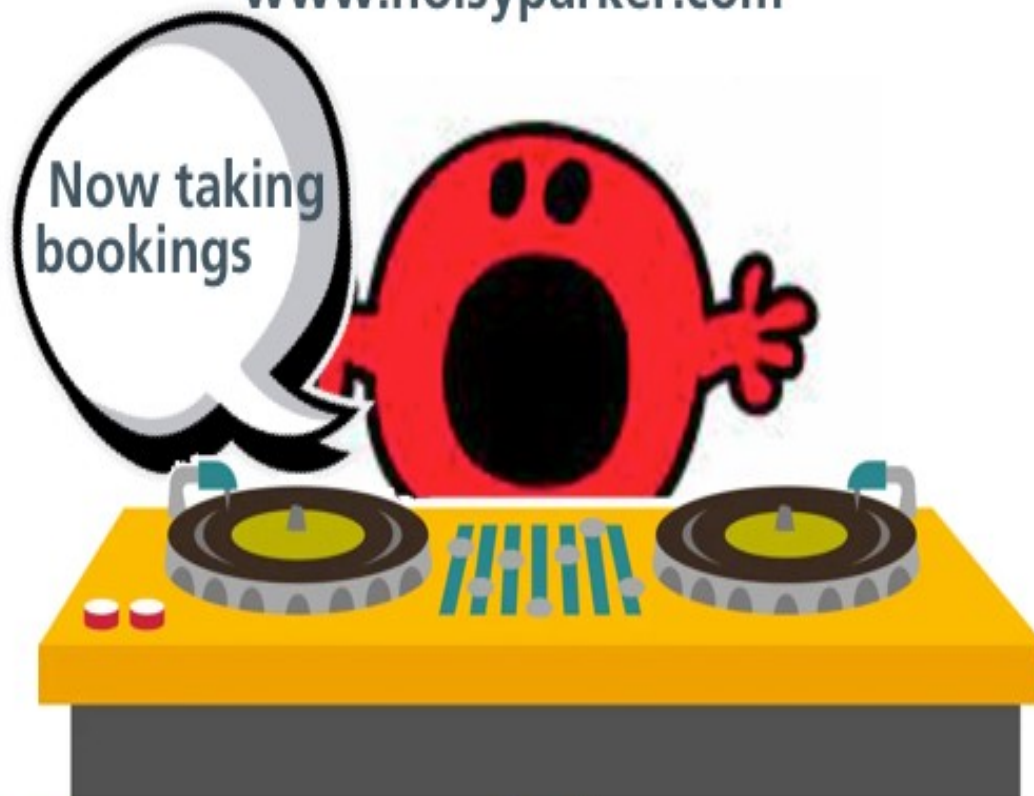

### Illness

If your child is ill and will be absent from school please ensure you either -  
Call 01535 633682 and select 1 to leave a message on our absence voicemail  
Email [office@kildwickce.uk](mailto:office@kildwickce.uk)

Please do this each day your child is absent.
