Autumn Term 2023

Friday 22nd September

Learning to Live

Living to Love

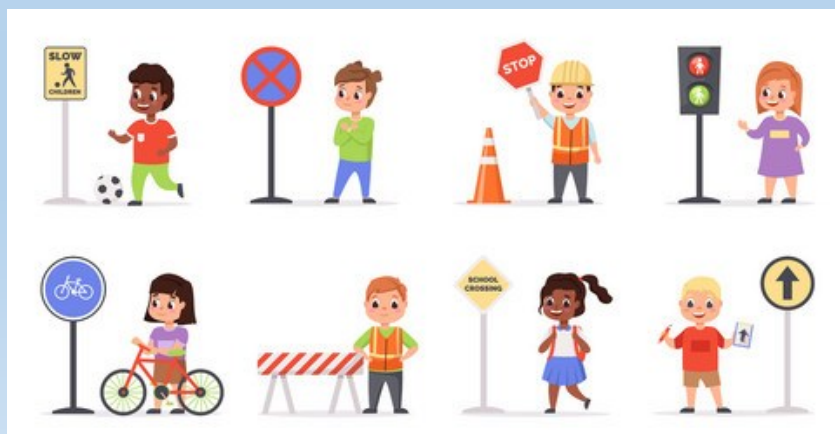

Loving to Learn

Safeguarding Updates

Heather Russell, our Senior Education Adviser, visited school this week with a safeguarding focus. She is aware of the difficulties we face in school with the amount of traffic during drop off and collection times and the safeguarding concerns that this generates. I, along with Heather, have contacted NYC highways on more than one occasion to express these concerns. I will keep you updated with any developments in due course, but if you would like to contact them yourselves, please contact the office for the relevant email details.

In the meantime, to support our efforts, the safest way to access school is via the church path. The road outside school is narrow and has areas without pavements. Parents and families can help in the following ways:

- Not parking on the road outside school or the private land by the school bins
- Walking to school or parking away from school and then walking to school. The walking bus is not an option for all but sets off from the Coop in Cross Hills at 8.30am every Thursday.
- Always choosing the church path to access school.
- Vacating the playground and returning to cars as quickly as possible. We introduced a soft start to the school day to stagger the times that children can be dropped off. This is between 8.45am and 9am.
- Contacting NYC Highways—contact details from school office.
- Reinforcing road safety with children at home (this is part of our PSHE curriculum in school).

Marvellous Me

All parents should have received login details for **Marvellous Me**. If you have not had login details or are struggling to access the app please contact the office for further support. Teaching staff will use Marvellous Me to share good news about children with the adults at home. Over the next few weeks we will also be introducing the 'Thumbs Up' function to record house points given in class.

SEN

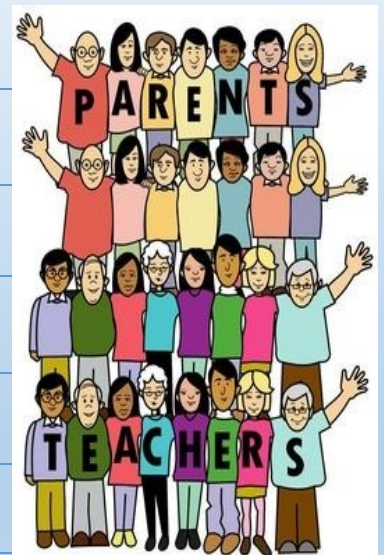

All parents and carers of children with a POP (Pupil Overview of Provision) should have been invited in to meet with Class Teachers. This is an opportunity to discuss your child's progress and have input into the provision they are offered in school. Please contact your child's Class Teacher and/or Miss Akrigg.

Come Back To School!

This year we are inviting parents and carers into school to learn alongside their children on two separate occasions over the year. Please see below for dates and times for the first visit.

Robins (Y1) and Swallows	12th October 9-10am
Kingfishers (Y3)	5th December 2pm
Kingfishers / Owls (Y4)	30th November 2pm
Owls (Y5)	29th November 2pm
Eagles (Y6)	16th October 9am

Come and join us on

**Friday 29th September after
school**

A chance for a cuppa, cake and
chat!

Donations of cakes,
biscuits are very welcome!

Put the date in your diary...

Skipton Sports Partnership

We have joined the Skipton School Partnership this year and as a result each class will be taking part in a number of sports festivals across the year. The Sport Premium funding will pay for our membership but we will be asking parents to contribute towards travel. I anticipate this not to be more than £5. You will shortly receive information about the festivals taking place this term. This is a fantastic opportunity for the whole class to take part in developing sports skills with an added competitive element.

Family Curry Night—Thursday 5th October—5.30pm

Due to popular demand, we will be holding another Family Curry Evening on Thursday **5th October from 5.30pm**. This was a hugely successful school event last year and a fabulous opportunity to get together, relax and meet and make new friends. There will be music, lovely food and great company. Mrs Parker will be sending further details and booking information next week. Henna also available for a donation on the evening, please bring loose change!

Harvest Festival Service in Church

We will be having our annual Harvest Festival Collective Worship in church on **Friday 13th October at 2pm**. All parents are invited to join this celebration.

Keighley & Craven Schools' Cross Country Series 23-24

The Keighley & Craven Schools' Cross Country series will be beginning again in October for Y3,4,5 and 6. There will be four events across the year and any pupil running in any of these events will receive a complimentary t-shirt (provided by school). An email will be sent shortly with further details.

Open Day for prospective Reception Starters—September 2024

If you have a child due to start Reception in 2024, why not come along to one of our open days!

Saturday 11th November 2023 - Come anytime between 09:30 & 11:30.

Thursday 16th November 2023 - Come anytime between 14:00 & 15:00.

It would be great if you could confirm which day you intend to attend by emailing the school office at office@kildwickce.uk or phoning 01535 633682.

Please share this information with friends and family that may be interested.

Telephone - 01535 633682

Questions for the family to consider

Note for teacher/TA: Here is a sample of questions which you can provide to the learner's family to help them in selecting a Secondary school:

- How big is the school? Are there any satellite buildings?
- Are there quiet areas which the learner can use during school hours?
- Is there any support with travel?
- What is the school's behaviour policy and do they make reasonable adjustments for learners with autism?
- Has the school had learners with autism before?
- How welcoming do the school and the staff feel?
- What support is provided to learners with autism and other SEND?

YOU CAN...

...FULFIL AMBITIONS, DEVELOP, IMPROVE,
SOCIALISE, ACHIEVE, LEARN, ENJOY AS A LEARNER
AT CRAVEN COLLEGE.

FULLY FUNDED* LEVEL 2 DISTANCE LEARNING

Distance Learning gives you the flexibility to study at home, at a time convenient to you as well as the flexibility to manage your own learning in your own time, at your own pace. Start anytime, study anywhere - no classroom attendance required! The resources for this course are online so you will need regular and reliable access to suitable equipment and broadband.
