Easter Production— The tale of Three Trees

Class Three Kingfishers and Class 4 Owls will be performing their Easter production The Tale of Three Trees next week. This will take place in St Andrew's Church next **Thursday 30th March at 2pm and 6pm**. Children should arrive at church at 5.45pm. Please could children have their costumes in school ready for a dress rehearsal on Wednesday, which the rest of the school will be watching. If possible, Please try to avoid attending more than one performance. If your child is not attending the evening performance, the class teacher should already be aware of this and would like to stress that being part of the performance is an important part of the school curriculum.

Y6 SATS information Event—Monday 27th March—3.45pm

Year Six parents are invited to a SATs information session at 3.45pm on Monday 27th March. Information will be shared on the format of test week and any questions answered. If you are unable to attend, information will be shared on the Eagles Google Classroom.

Ramadan—March 22nd—April 21st

Ramadan is the ninth month of the Islamic calendar, observed by Muslims worldwide as a month of fasting, prayer, reflection and community. We understand and appreciate the dedication and commitment to this obligatory pillar of Islam and recognise that the holy month is an extremely important time for some of our children and families.

Brain Tumour Awareness Month—Wear a Hat Day—March 31st

Children are invited to come into school wearing a hat on Friday 31st March in aid of Brain Tumour Research. We will also be holding a used toy sale after school on the 31st. This is an ideal way for parents and carers to recycle and reuse all of those unwanted toys. Please bring any donated items on the morning of Friday 31st March. We are asking for a voluntary contribution for wearing a hat and a donation for the used toy sale. Thank you for your generous support in the fundraising we carry out at school.

Clothing

Please check all children's clothing to make sure it is clearly labelled. We are spending a lot of time trying to relocate lost items. A reminder that Kingfishers and Owls have lockers, Eagles and Swallows have their own cloak room and Robins have a 'jumper dumper'! Please encourage your child to be responsible for their own belongings.

Communication

Reminder that we send this weekly Newsletter with information relevant to the following week/s and upcoming activities. Next week you will get a round up of what's been going on in school this half term and a curriculum letter outlining learning for next half term.

Collection / dropping off during the school day

Please note that when collecting and/or dropping children off during the school day (eg for appointments, late arrivals, early departures) they should always be signed out/in at the School Office. Please do not take/pick up children straight to/from their classrooms or the playground without going to the main school office first for them to be signed out of/into school. Thank you for your help with this.

Sports Kit Sponsorship

We are in the process of upgrading our sports kits and wondered if there were any members of our school community who would like to Sponsor a new kit. This could include: football, rugby, netball etc. If you are interested then please do get in touch—office@kildwickce.uk
