Library Visits

To coincide with World Book Day in March, each class will be visiting the library in Cross Hills later in February. You will have received a letter via email to enable your child to sign up to the library. Please could these be returned to school on or before Friday the 3rd February. This will give the library enough time to register your child so that they will be able to borrow a book on the day. Please keep an eye out on future newsletters to see how we will be celebrating World Book Day in March.

DAY**

2 MARCH 2023

Support for Ukrainian Families

On Friday 3rd February we will be having a non-uniform day and cake stall after school to raise money to support the Ukrainian families in our local area. Mrs Sharples (who previously taught in our school) coordinates support and activities for families in our area, this includes monthly coffee mornings held at our school. They need ongoing funds to continue this amazing work and we would like to support them with this. A voluntary donation can be made on parent pay for non-uniform and donations of cakes will be much appreciated on the morning of 3rd February.

Reading Café & E-safety talk

We will be holding another reading café event on Friday 10th February. Because the event was so popular last time, there will be two sessions, one between 9.30 – 10.30am and one between 2.30 - 3.30pm. Robins and Swallows class are invited to attend the morning session along with their siblings from KS2. KS2 pupils who do not attend with their siblings in the morning are invited to attend the afternoon session. This is a great opportunity to share a story with your child/ren whilst enjoying a hot drink and biscuit. It is also a great way to get an insight into the type of questions children are asked in school when taking part in reading activities so that these can be applied at home.

There will also be a short e-safety presentation included.

We are a nut aware school

A polite reminder that children should not be eating breakfast in school. We have had a number of children come to school eating Nutella. We are a nut aware school and we do have children in school with nut allergies.

Are you entitled to Free School Meals?

A reminder to you of the importance of claiming free school meals if you are entitled to do so. Even if you do not want to take the meals and continue with packed lunches, this entitlement gives you access to other extra-curricular funding, group music lessons etc. The school is given this additional funding based on the % of eligible FSM pupils. If you are not sure about your entitlement, please speak to Mr Whitehead. Please check the following links for more information—

[NYCC Bradford](#)

School dinners

A reminder that there is a wide choice available to children for school dinners now. This includes sandwiches. A reminder that all children in Robins and Swallows are entitled to a free school meal. If your child hasn't been on school dinners recently we would encourage them to try them again.
