Summer Term 2023 Friday 5th May

Learning to Live

Living to Love

Loving to Learn

Dear Parents and Carers

We have had a fantastic start to this short half term. With so much happening over the summer term, please do take the time to read and digest the contents of the newsletter and the diary dates.

May is the month of statutory tests for primary schools. Kicking off with our wonderful Year 6 children. All of our children have worked incredibly hard to be ready to show off everything that they know. Despite the SATS not measuring the endless qualities that your children have, after all of their hard work, they are ready for the challenge!

SATs don't measure sports, SATs don't measure art

SATs don't measure music, or the kindness in your heart

SATs don't see your beauty, SATs don't know your worth,

SATs don't see the reasons you were put upon this earth.

SATs don't see your magic, how you make others smile,

SATs don't time how quickly you can run a mile.

SATs don't hear your laughter, or see you've come this far;

SATs are just a tiny glimpse of who you really are.

So sitting at your table, with a pencil and your test,

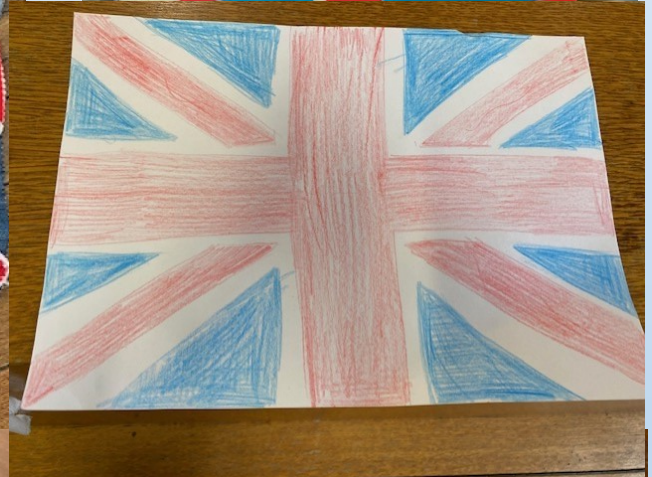

Remember SATs aren't who you are, remember you're the best. [Here](#) is a short video clip which captures all the above perfectly!

Please click [here](#) for the most recent update from the Chair of Governors.

Wishing you all a festive Coronation weekend!

Mr Tim Whitehead - Headteacher

Achievements outside of school

We are always very proud when we hear about the children's achievements outside of school and we would like to use the newsletter to celebrate this. This can include: reaching milestones in swimming, karate, Rainbows, Brownies, Scouts and Cubs or any other activities children may take part in. Please email the school office if you would like these to be included.

Grow a Pound

Last week, the children were given £1 to launch their own 'Grow a Pound' venture.

The children have been asked to do something with the £1 to generate more money for school. All the money raised will be used to purchase reading books, new ICT equipment and improve our play-ground.

In addition to raising much needed funds for school, this initiative also gives children an insight into how business works and helps them to build skills for the future, such as team working, problem solving, leadership, money management and creativity. It also supports children in their learning in key elements of the National Curriculum.

The children (and parents) have come up with some great ideas and have already started growing their pounds. Some of these are pictured below and I will feature all of those that send in photos. If you are struggling for ideas, we have listed some below and many more can be found online.

Children can work on their own or in a group, they can take a 'loan' if needed and offered by parents, but this money must be taken out of the profits and paid back before the end of the challenge.

To further support the children with their ventures, we will have a 'market place' every Friday from 3:30pm to 3:45pm (starting 12th May). Children can use this opportunity to sell goods and services to their peers. They can use any profit to buy more resources for the following week and increase their stock. We will also be offering advertising space on the weekly Chronicle. Children can design an advertisement to give to the office to scan and add.

The challenge will run from Friday 28th April until Friday 9th June.

If your child doesn't wish to participate please return the £1.

There will be a prize for the child/group that 'grow' their pound the HIGHEST and the most original ideas!

Some ideas might be...

- Buy a sponge and some washing up liquid and offer to clean your neighbours' cars - £2 a go?
- Buy some ingredients and make some cakes or biscuits for friends and family – 50p each? Then use the money made to buy more ingredients – and so on!
- Make up a sponsorship form and do something interesting; sponsored skip, goal-scoring, hop, sing, silence – unleash your talents – 50p a minute?
- Buy some gardening gloves and do some weeding for your neighbours, friends and family - £2 per flower bed
- Buy someone in your house some flowers and offer to do the housework - £1.50 for all the Hoovering?
- Fill a jar with £1 worth of sweets, charge people to guess how many sweets are in the jar.

Bring "grown" funds back to school by Friday 9th June.

HAPPY GROWING!

Y6 Residential Meeting—Monday 5th June

There will be a meeting to discuss the Y6 residential to Bewerley Park on Monday 5th June at 430pm in school. An email has been sent today with a kit list and a Google Form.

Robins and Swallows - Nell Bank Trip

A reminder that Robins and Swallows are going to Nell Bank in Ilkley on Friday 12th May. Please ensure that you have consented to this trip on parent pay. Children should arrive at school at 8:45am and be collected at 3:30pm as usual. Children can wear school jumpers and should come in clothing suitable for outdoor activities on the day. Please send children in wellies if they do not have a pair in school. A packed lunch will be provided.

Summer Fair (Date TBC)

We are currently in the process of organising the Summer Fair. We would like to have lots of 'preloved' stalls. If you would like your own stall to sell on your preloved items please let Mrs Wilkinson know. A great opportunity to raise some extra money for Summer holiday treats!

A small donation to the Summer Fair funds would be optional.

Preloved Uniform

We will be selling all preloved uniform at the Summer Fair. Please donate any items you have to Mrs Parker via the school office. This can include all items of uniform, coats and year 6 book bags.

Help needed!

If you can help organise or set up at the school fair please let us know! There is a PTA WhatsApp group you can be added to. We would also welcome any ideas for things to help the children have an amazing time!
