Dear Reception Parents and Carers,

In the final term of the year in which the child reaches five, educators in reception classes must complete an early years foundation stage profile (EYFSP) for each child and their development must be assessed against each of the early learning goals.

This information is reported to parents and carers. The profile will also be shared with their year one teacher so that they are aware of the child's level of development and can plan accordingly. Your child will be taught by myself or Mrs Carpenter next year and you will receive a letter in June regarding which class they will be in.

Each early learning goal describes what children at the expected level of development will be able to do. It is important that I share this information with you. Please see below.
