Newsletter 4<sup>th</sup> October 2019

Dear Parents and Carers,

Our building alterations are coming to an end and we are hoping to install Mrs Chapman into her new office some time next week. This will be your first port of call when visiting school. We are currently looking at new signage for the school which will include our revamped logo. Class Three and Four were very excited to take charge of their very own locker following a briefing session from Mr Horton and Mrs Sharples.

It was great to see school represented at Fallfest last week. Kildwick Choir won the sing off and we had a strong contingent taking part in the junior cross country event last Saturday. We had some very muddy finishers as well as some highly placed runners. Well done to all children who represented school at the district cross country finals at Giggleswick. I have yet to receive confirmation but I am sure we will have some children moving forward to the County finals at Dalby in 2020.

It was also lovely to welcome you into church for our annual Harvest Festival. Thank you very much for your kind donations of food. Rev Julie has said that the gifts of food will be going to St. Georges Crypt in Leeds.

Have a great weekend  
Mr Tim Whitehead  
Headteacher

### Church Grounds

We have received concerns from church members that children are running around in the graveyard, climbing on graves and building dens on the grounds. We have a very strong relationship with the church but this is causing upset and does not reflect the respect we have for the church. Please can you ensure children stick to the paths whilst walking through the church yard. Please do not let your children climb on gravestones – if children wish to play after school please can you use the Rec instead. Thank you for your support and respect in this matter.

#### PTA News

The School PTA is a fantastic opportunity to get together, meet other parents and at the same time plan events that will benefit the school.

Lisa Snell, our current Chair, and Lucy Armitage, our treasurer are planning on stepping down next summer. They are looking for willing parents to shadow them with the potential for them to take over these key roles. If you are interested in either of these roles or becoming more active within the school PTA, please do get in touch with Lisa or contact the school office. Watch this space for the next PTA meeting.

## **Your achievements outside of school**

We are very pleased and proud to share Isla's experience at York's Grand Opera House

Isla took part in three performances last weekend of English Youth Ballets Swan Lake at York's Grand Opera House and performed as one of eight signets in a professional and exhilarating show.

She found the whole experience fantastically enjoyable – and looks amazing! Well done Isla.
