Newsletter 5th July 2019

Dear Parents and Carers

Well done to our Mini Olympians who performed brilliantly in the South Craven cluster school Mini Olympics event last week. It turned out to be a gruelling event with lots of sporting activities for our Year One and Two children to take part in. Mr Pearson was delighted with our effort and both our teams came second place. What a great achievement.

Most of our Year Six children were at South Craven for their induction days this week and all our children spent two mornings with their new teacher. We also welcomed our new reception children into school this week. They were introduced to their new Year Six buddy and even stayed for lunch. They are very excited to start for real in September! Year Five were out at South Craven yesterday in preparation for their transition into secondary school next September (2020), where does the time go?!

We finished our week in school with a Year Six careers event in the school hall. We had visitors from various professions who talked to small groups of children about their jobs and role. Thank you to all who attended and to Miss Paxford for organising such a great event.

Have a great weekend
Tim Whitehead
Headteacher

Rucksacks – Advanced notice

Due to restrictions in space, we have decided that from September only Year Six children will be allowed to bring a school rucksack to school. Please continue to use the school book bag / PE bag in the normal way.

New Website

There are still a few updates and 'tweaks' to be made with the website. We will be using the website as a way of sharing information with you so please do check in regularly for news and pictures of recent events. Residential photos will be uploaded next week.

The web address is www.kildwickceschool.org.uk

POLITE NOTICE:

Please could we ask if you walk to school with your dog not to bring these onto the playground or wait with them on the steps from the main gate. We have had a recent H&S inspection and been advised that dogs should not be on the school premises (even when carried), and we also have a child starting in September with a dog allergy. It is extremely important that all parents/visitors follow this rule please. Thank you for your support and co-operation.

Attendance

The overall attendance for this week is 97.07%

Swimming

We have decided that next year we will be trialling a new approach to swimming in school. Children from Y1-Y6 will have swimming lessons for one term each. Year 5/6 will go in the Autumn Term, Year 3/4 will go in the Spring Term and Year 1/2 will go in the Summer Term. More details and prices will follow next week.

A note from St Andrew's

I have been informed that a path is developing between the memorial garden and the church car park. Please could car park users please not use the memorial garden as a cut through to their car. Thanks in advance.

Thank you to all parents who donated clothes/shoes/bags to the Firefighter Charity. The total weight was 101 kgs.

Happy birthday to the following children:

Class 1 Austin and Ralph
Class 4 Oliver, Ewan and Freddie

Stars of the Week

Class 1 **Isla** for being super confident in the Reception graduation rehearsals.
Class 2 **Ruby** for brilliant tennis and maths this week.
Class 3 **Archie** for being an all round superstar- always giving 100% in all areas!
Class 4 **Darcy** for her contribution and helpfulness on the Y5 South Craven Day
Class 5 **Lucas** for his effort in our end of year play.

We are seeking your Views

A letter has been sent home today asking for your views about school. Please take some time to fill in this questionnaire. We do value your support and working collaboratively is essential. Please could you make every effort to return before the 12th July.
