Newsletter 6th September 2019

Dear Parents and Carers

Welcome back to school and to the start of this academic year. I trust you have all had some time to rest and relax. For some it is the start of your journey with us and for some it will be the final year before you move onto pastures new. We would like to extend a warm welcome to all new parents and their families and we look forward to getting to know you over the year. Although only short, it has been a very busy and tiring week for our new Reception children.

We also welcome two new members of staff to the team. Mr Horton who will be teaching in Class Four and Mrs Moorhouse who will be teaching in Class One whilst Miss Akrigg is on maternity leave. We wish them both well as they settle into school.

You are warmly encouraged to attend our 'Meet the Teacher' event on Tuesday 17th September at 3.45pm or 4.15pm. See below for further details.

You will have noticed that there has been some building improvements over the summer and this will be continuing into the beginning of next week. We are hoping things will get back to normal very shortly. Thanks for your patience and understanding in the meantime.

I am really proud of what the school community has achieved over the last year and am looking forward to working together over the coming year.

Have a great weekend
With best wishes
Tim Whitehead
Headteacher

Dogs on the school premises

Please could I remind parents that dogs are not to be brought onto the school premises or placed near the entrances / exits to the school site. Thank you for your co-operation.

Nut Awareness

Please could I bring it to your attention that we have children in school who have severe nut allergies. As a school we are doing all we can to minimise the risk of nut contact with these children. We are therefore asking that children do not bring any items into school that 'may contain nuts'. Thank you for your support with this matter.
