Newsletter 10th January 2020

Dear Parents and Carers,

Welcome back to school for the start of the spring term. I trust you have had a fantastic Christmas and have managed to relax and have fun with your family and friends.

This term promises to be as action packed as the last with lots of activities planned, both in and out of school.

We have introduced a new reading approach here at Kildwick and the children have definitely been excited about receiving their new book. I have already heard many positive comments from both children and parents. Please do give us your feedback, as our ambition is to promote a love a reading for pleasure, something that will last into their adult lives. We warmly invite all KS2 parents to a reading information event at 3.45pm on Monday 20th January.

We are extremely proud of the individual and team effort that our children displayed at the South Craven cluster swimming gala this week. The standard of swimming by all competitors was amazing. Class 3 will begin their swimming lessons next Thursday 16th January.

Class 1 have been busy donating some of their old books to the village by being secret book agents. They have left books around the village for younger children to find and enjoy. Happy book hunting!

Once again, our attention turned towards helping those less fortunate than ourselves. Children came in non-uniform today to support the Australian Bush Fire appeal. Thanks to the PTA for providing a snack stall after school.

The school staff and governors wish you all a very happy and healthy year ahead.
Mr Tim Whitehead

Swimming Gala 8th Jan 2020

Dear parents,

MarvellousMe has upgraded their Parent app this week. This new version delivers a 30-day News Centre (the number one feature parents have been asking for!), fixes notification bugs and includes other improvements.

You may have already seen an email from MarvellousMe however, if you haven't already done so, it is **essential** that you follow the below:

1. Check your device is running the latest operating software.
2. Update the MarvellousMe app via the App Store or Google Play.
 - To do this, type 'MarvellousMe' into the search bar, click on the 'MarvellousMe for Parents' icon and select 'update'.
 - Your phone may have already updated MarvellousMe automatically in which case it will just have an 'open' button.
3. Open the MarvellousMe Parent app then
4. Tap 'Settings'
5. Toggle the 'Get device notifications' switch off and back on again.

Even if it shows as 'On', **you must switch it 'Off' and 'On' once. This step is particularly important** to ensure you receive MarvellousMe notifications going forward and benefit from the upgrade.

Please refer to the guide attached or contact MarvellousMe directly through the 'User Guide & Help' section in the app if you need any support.

Thank you for using MarvellousMe.

IMPORTANT UPDATE

Please update your app to the latest version of MarvellousMe. It delivers new features, improvements and a notification overhaul.

- To get device notifications, you must toggle alerts on in 'Settings'.
- See everything sent from the school in 'News'. Filter, sort, star!

Severe Weather

Now winter is approaching we will need to take into consideration any adverse weather conditions. Every effort will be made to keep the school open in severe weather. However, we may close due to 'unavoidable' circumstances. Those circumstances being that it is no longer safe for staff or pupils to be onsite.

How will we let you know if the school is closed?

If we do experience severe snow/ice resulting in hazardous conditions, we may have to take the decision to close the school. Any decision taken to close the school will be made as quickly as possible, taking into consideration the safety and accessibility of ground conditions of the school site, and if the school is sufficiently heated and able to provide a school meal for pupils. If there has been significant snowfall during the night we will aim to make a decision by 7.00 am. Wherever possible the school will remain open at all times.

If a decision is made to close the school parents will be notified via **text and email** and a message will be put on the school **website** <https://www.kildwickceschool.org.uk/>. Please ensure school is kept up to date with any changes to mobile numbers/email addresses so we can contact you.

Please do not ring school to see if it is open – any closure will be notified via text, email and on the website. If there is no notification school will be open.
