Newsletter 11th October 2019

Dear Parents and Carers,

This half term is certainly moving along very quickly. It will soon be half term and the time to turn our clocks backwards an hour. We have lots of fantastic learning both in and out of school to celebrate. Most classes now have taken part in their first outdoor learning session led by Forest School leader Sarah Denurtcheylo. She will be returning to school before half term to train the staff and we are planning that Forest School will become a regular feature of our weekly timetable.

We launched 'Times Tables Rock Stars' with our rock star non-uniform day today. Mr W would like to see this event become a weekly occurrence. Each child (Y1 – Y6) will have come home with some login details and will have been given some guidance on how to use the website.

Mrs Chapman will finally be in residence in her new office from Monday. If you need to collect or drop off your child during the school day, please make your way to the new main office.

Finally, I received an overwhelming response from children who would like to be part of the Collective Worship School Council. I have handed out an application form and have asked the children to fill in and return to me before Monday.

We look forward to representing school at the football tournament and the Cliffe Castle cross-country event next week.

Have a great weekend

Mr Tim Whitehead

Headteacher

Lost Property

Please could parents check children's clothing/shoes/PE kit/coats etc., every day to ensure they have brought home their own belongings. It is very easy for children to accidentally pick up someone else's clothing and we would be very grateful if you could return anything inadvertently brought home as another child is without that item. We have a number of children with limited uniform and missing coats and they would very much welcome their return. Please can we remind you to label all clothing/shoes/PE kit/water bottles etc., so they can be returned to their rightful owners. Any parents requiring labels there is some information on page 4 of the newsletter for www.mynametags.com. Thank you for your support in this matter.

PTA News

The School PTA is a fantastic opportunity to get together, meet other parents and at the same time plan events that will benefit the school.

Lisa Snell, our current Chair, and Lucy Armitage, our treasurer are planning on stepping down next summer. They are looking for willing parents to shadow them with the potential for them to take over these key roles. If you are interested in either of these roles or becoming more active within the school PTA, please do get in touch with Lisa or contact the school office. Watch this space for the next PTA meeting.

We have added a new policy to our website regarding children walking home alone. Please do read this policy.

Attendance

The overall attendance for this week is 98.86%

Head Lice

We have a case of head lice in school. Please ensure you check your child's hair regularly and treat immediately if necessary. Please can children with long hair keep this tied up – this will help get rid of our unwanted visitors.

Please could we remind all parents that dogs are not allowed on the school premises. We certainly do not want to discourage parents from walking to school with their beloved pet, but please do ensure they do not obstruct the gateways and are always under the control of an adult.

Happy Birthday to the following children:

Class 4 Ethan
