Newsletter 15th November 2019

Dear Parents and Carers,

It has been another busy week in school with lots of fantastic learning happening. Year Six welcomed the conservative candidate for Skipton & Ripon, Julian Smith, into school on Tuesday. They also received visits from the Labour candidate, Brian McDaid and the Liberal Democrat candidate Andrew Murday. They certainly put them through their paces and came up with some astute questions. I have attached them to the end of this newsletter for you to read. All candidates commented on how well the children presented themselves. Over the coming weeks Year Six will be preparing a manifesto and presenting them to pupils, parents and governors, which will culminate in an election on 12th December. #pupilprimeminister

The School Council have been selling wristbands for anti-bullying week with the theme of 'Change starts with us'. Children wore odd socks on Tuesday to celebrate our uniqueness. They have also worked in core value houses and have taken part in workshops led by the School Council, making badges and a promise jar.

We had our annual open day for parents of prospective children entering Reception in September 2020 yesterday. It really was a great event and I am sure it gave our visitors plenty to think about before making their choices.

Lastly, what better way to finish a week off, collecting for those children less fortunate than ourselves? You raised £116.10 – thank you!

Have a great weekend!

Mr Tim Whitehead

The Selfish Giant Christmas Performance

The Riding Lights Theatre Company will be visiting school with their Christmas show *THE SELFISH GIANT*.

Through vivid, interactive story-telling, music, puppetry and humour, Riding Lights brings you this brilliant story of transformation. No one, not even the story-tellers themselves, can be left unaffected by this inspiring tale of love and generosity.

The show will be presented to all children on Friday 13 December – please see the email which has been issued for further details.

Happy birthday to the following children:

Class 3 - Hidayah

THIRD SUNDAY – A service at St Andrew's

An informal service will be held on the third Sunday of each month at St Andrew's Church, Kildwick.

Not led by a priest, there will be hymns and songs, a short talk and some prayers, all suitable for the whole family.

Refreshments will be available from 10.30 am before the service begins at 11.00 am.
It will be a short service and everyone is welcome.

We would be delighted if you could join us on Sunday November 17th

Severe Weather

Now winter is approaching we will need to take into consideration any adverse weather conditions. Every effort will be made to keep the school open in severe weather. However, we may close due to 'unavoidable' circumstances. Those circumstances being that it is no longer safe for staff or pupils to be onsite.

How will we let you know if the school is closed?

If we do experience severe snow/ice resulting in hazardous conditions, we may have to take the decision to close the school. Any decision taken to close the school will be made as quickly as possible, taking into consideration the safety and accessibility of ground conditions of the school site, and if the school is sufficiently heated and able to provide a school meal for pupils. If there has been significant snowfall during the night we will aim to make a decision by 7.00 am. Wherever possible the school will remain open at all times.

If a decision is made to close the school parents will be notified via **text and email** and a message will be put on the school **website** <https://www.kildwickceschool.org.uk/>. Please ensure school is kept up to date with any changes to mobile numbers/email addresses so we can contact you.

Please do not ring school to see if it is open – any closure will be notified via text, email and on the website. If there is no notification school will be open.

Information after today's flu vaccination

How does Fluenz Tetra help protect children?

When a person is given this flu vaccine, the immune system (the body's natural defence system) will produce its own protection against this influenza virus.¹

It's reassuring to know that none of the ingredients in this flu vaccine are likely to cause the flu.¹

This flu vaccine targets four strains of influenza, and complies with the strain recommendations made by the World Health Organization every year.^{1,2}

What are the possible side effects?

The flu vaccine for children has been well tolerated by most children, but some may experience side effects.¹

Serious side effects are very rare (may affect up to 1 in 1,000,000 people): severe allergic reaction – signs include shortness of breath and swelling of the face or tongue.¹

Other possible side effects:¹

- Very common side effects (may affect more than 1 in 10 people) are: runny or stuffy nose, reduced appetite, weakness and headache. These side effects are much less serious than developing flu or complications associated with flu.^{1,3}
- Common side effects (may affect up to 1 in 10 people): fever, muscle aches
- Uncommon (may affect up to 1 in 100 people): rash, nose bleed, allergic reactions

For more detailed information on side effects, please see the Patient Information Leaflet¹: <https://www.medicines.org.uk/emc/files/pil.3296.pdf>

If any of the side effects become serious, or if you notice any side effects not listed in this leaflet, tell your doctor, nurse or pharmacist.
