Autumn Term 2024 Friday 8th November

Learning to Live

Living to Love

Loving to Learn

The children have settled back into school after their much needed half term break. Our core value theme this half term is Respect. In school we have been talking about how we can show respect for others at home and in school. We also thought about getting better at showing respect for our belongings and school environment. We have a busy half term coming up with more parent and carer sessions in school - an opportunity for you to spend time with your child in school and get an insight into their school life. Today the year three parents had the opportunity to join in with Dave Rockett who is a STEM ambassador and regular visitor to school. We hope you enjoyed it!

The EYFS and Key Stage One Nativity has already been selected and no doubt the children will be coming home singing those catchy tunes before you know it! We look forward to creating lots of happy memories for the children at this special time. If you are able to offer any support with any of the activities (including PTA activities) please do contact the school office.

Keep an eye on the dates section of the newsletter as there will no doubt be more added in the coming days and weeks as we continue to work hard to offer the children lots of enrichment opportunities.

Next week is our Children in Need sponsored dance - a reminder all children can come in PE kits on Friday.

Children singing at the Skipton Music Festival will have the opportunity to do their sponsored dance on Thursday. Have a great weekend and we will see you on Monday.

## Key Stage Two Write For You.

### Best Buddies between Year 6 and Reception

A long held tradition has continued this year at Kildwick School. It is a match between us, in Year 6 and the new Receptions. The pairing is something we look forward to most of our school lives! We spend time playing with their buddies everyday at lunchtimes and especially on a Friday for the well loved 'Buddy Lunch'! It is the highlight of our week! We get to show our buddies how to eat sensibly and healthily with good manners. Then we have playtime and again we can show them how to share and care for others. Some buddies love football, other like running down hills and all like hide & seek.

By Year 6.

## Come and Help in School!

We are still on the lookout for volunteers to come into school and support with learning. If any of you are able to spare any time we would love to hear from you. This could involve supporting in a PE / Art / Science lesson, helping out with the walking bus, supporting on a school trip, extra curricular activity or listening to readers. We would also be very grateful of any help in maintaining and developing our school environment. Please email the school office if you would like to be added to our volunteers list.

## Children in Need Menu

On Thursday 14th November for Children in Need we are running a different menu. This is an exciting opportunity for your child to have a special school dinner! If your child would like to have a school dinner on this day, please pay via ParentPay.

### Children in Need Challenge yourself to be spotacular.

Next week children will be learning a dance throughout the week. On Children in Need day children will perform the dance as many times as they can. They can collect sponsorship from friends and family for each dance they perform. Any donations can be made [here](#). **All children can come in PE Kits on Friday 15th November.** Those children attending Skipton Music Festival will have chance to dance on Thursday.

We will take the time to encourage the children to reflect on why Children in Need is so important to so many children and families. It is important that the children understand this as well as enjoying the fun of the day.

### If you are having a pre Christmas clear out please keep EYFS in mind!

We are always on the lookout for dolls, dolls clothing and accessories; costume jewellery; old rolls of unused wallpaper; metal kitchen accessories; wooden toys; large building blocks; real and fake plants (indoors and outdoors); buttons and beads; toy animals; sand timers; baskets and boxes; old camping equipment; photo frames (without glass); logs; old picnic equipment.

## SEND @ Kildwick

Our school SENCo is Miss Akrigg. You can find information regarding SEND at Kildwick on the website [here](#).

It is important that everyone in our school community understands about SEND. Even if your child does not have Special Educational Needs they will be in class with children who do. We are an inclusive school and it is important that all members of our school community understand and value **all children in our school**.

AWARE is a parent-run group supporting families with children and young adults on the autistic spectrum (formal diagnosis not required).

The group covers the Airedale, Wharfedale, Bradford and Craven areas and beyond. Members include families and supporters in general, as well as health, education and social care professionals.

Early diagnosis of autism can greatly improve the chances of a person receiving appropriate help.

AWARE can support families through the maze of local services which cross health, social care and education boundaries. They can advise on accessing appropriate support from statutory, voluntary and private services, which can make a huge difference to a person with autism, helping them to maximise their skills and achieve their full potential as an adult.

Have a look at their website [here](#).

## No Dogs

A quick reminder that dogs are not allowed onto the school grounds. We have children in school with severe allergies to dogs. Thank you.

## Safeguarding

We understand that there will be events happening over the Christmas period which you may like to photograph or video. A polite reminder that any images of other children (including in the background) **should not be added to social media**.

Many thanks for your support in keeping our children safe.

Our 'Use of Children's Images Policy' can be found [here](#).

## Baby News!

A huge congratulations to Mrs Turner and her family who have shared the exciting news that they are expecting baby number three in 2025!

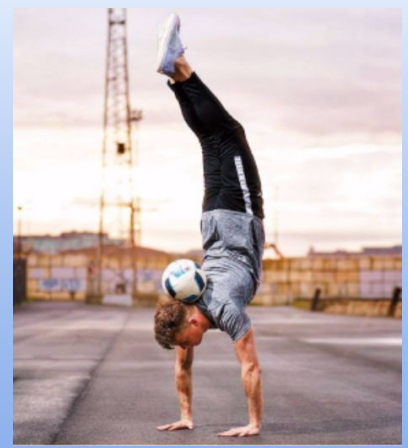

Mrs Turner will leave to go on her maternity leave towards the end of the Spring term.

Congratulations to the Turners we are all very excited for you!

## Freestyle Football Workshop

On Friday 22nd November we have arranged for Jamie Knight to visit school for a day of freestyle football. Jamie offers a whole school inspirational session and then workshops for each year group. This has been added to Parent Pay please make the voluntary contribution where possible to allow us to continue offering these exciting opportunities to the children.

**We would like to invite parents and carers into school for an introduction to Emotion Coaching on Friday 15th November starting at 9:15am.**

**Emotion Coaching is a successful, evidence-based strategy.**

Children are better able to:

- control their impulses
- delay gratification
- self soothe when upset
- pay attention

**Emotion Coached Children:**

- ✓ Achieve more academically in school
  - ✓ Are more popular
  - ✓ Have fewer behavioural problems
  - ✓ Have fewer infectious illnesses
  - ✓ Are more emotionally stable
  - ✓ Are more resilient
- (Gottman et al., 1996)

## Before and After School Club

We would like to increase the number of children accessing club. Please email Mrs Pink if you have any suggestions that would encourage you to access club for your children. Before and after school club is based in school (in the Hall and Robins classroom). Mrs Pink is the manager of club working with Mrs Crewe, Mrs Howarth and Miss Howarth.

A reminder that club staff can support children with homework and listen to them read. We appreciate that those children who attend club may be too tired to complete homework or read when they get home and we are happy to help! Just let Mrs Pink know if we can help with this.

Any questions or comments can be sent to [club@kildwickce.uk](mailto:club@kildwickce.uk)

## Zones of Regulation Top Tips for Home!

Each week we share a 'tool' from the Zones of Regulation 'toolkit' in this section of the newsletter. These are strategies for children (and adults!) to use to help recognise and manage emotions. See the first newsletter of this year for further information on the zones. You could try this at home—have a look at this week's tool. If you would like any further information you can contact Mrs Swales.

**DO IT**  
**LOL (Laugh Out Loud)**

When you are in the right time and place, enjoy a good laugh!

- Retell a funny story.
- Read a comic or joke book.
- Watch a short funny video.
- Let yourself laugh out loud.

**Why to try?**

Laughing releases the feel-good hormones (called endorphins) in our body, actually changing our internal chemistry.

**How do you feel?**

## Meet the Team

*There are a lot of adults working with and supporting your children in school. Some of them you will have less contact with than others. We will use this section of the Newsletter to help parents and carers get to know everyone. This should be particularly useful for parents who are new to the school! Meet....*

### **Mrs Coupe - Midday Supervisor**

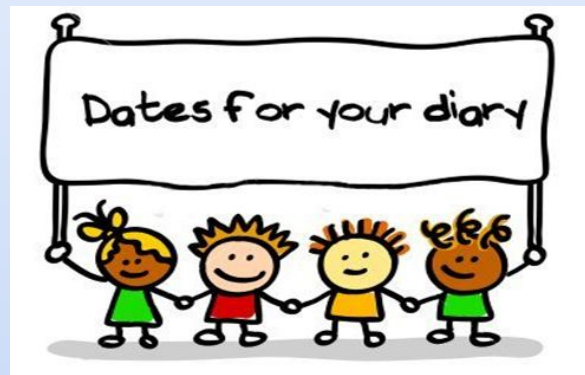

With love for reading, fascination with history, and a passion for learning Japanese, I am always eager to expand my horizons. Baking and Latin dance add creativity and joy to my life, while my work at school brings a sense of purpose.

Each day, I supervise students during lunch hours, ensuring they are safe both indoors and on the playground. Occasionally, I assist lead teachers in the classroom, where I particularly enjoy reading and doing activities with pupils. Supporting young learners in these ways makes a meaningful difference- a role I am grateful to play.

## Parking Reminder

We are very grateful to the Church and to the White Lion Pub who allow us to use their car parks at drop off and collection times.

As we are building up to some evening events a polite reminder that The White Lion ask that parents and carers **do not use the car park for evening events** as this can prevent their customers from parking.

A reminder that we allow the children into school 20 minutes early (at 8.40am). This now leaves a 20 minute window for drop offs—please return to your car promptly once you have dropped your child off so that others can park. The same applies at home time and we would ask that once children have been collected you **return to your car quickly**. **A reminder that Robins and Swallows can be collected from 3:20pm onwards.**
