

Kildwick Chronicle

Summer Term 2025

Friday 9th May

Learning to Live

Living to Love

Loving to Learn

We've had a shorter than normal week but still managed to accomplish a lot! Robins and Swallows classes enjoyed an amazing outdoor learning experience centred around the Great Fire of London, immersing themselves in hands-on activities that brought history to life. A massive thank you to all the parents for your fantastic support through the PTA, which made this enriching experience possible. It really helps to solidify their understanding of this significant historical event while creating more school memories.

The PTA has funded a new playhouse for the Robins' outdoor learning space, which is due for a much-needed refresh. Given our current budget constraints, we would greatly appreciate any donations of plants, including climbing plants, and old camping gear for outdoor role play and den-making activities. If you can spare some time for bringing in mud, painting, or helping restore the outdoor cupboards, please reach out to Miss Akrigg!

Lastly, don't forget to check the diary dates—things are being added daily! Our calendar is busying up as we aim to provide varied experiences and opportunities for the children. Also, our annual curry night is coming up, which will serve as our summer celebration instead of a traditional school fair. We'd love your input on activities or treats the children would enjoy. Rest assured, the bouncy castle is already order!

Key Stage 2 Write For You!

At the beginning of this term some children from year 3 and year 4 went to the mathematics challenge at South Craven school. There were lots of different schools there and all the teams competed in a variety of mathematic activities against each other. First we walked down with Mrs Ahmed to the school, it was a fun walk! When we got there we had some warm up activities to do. Then we went onto doing the challenging activities. Some were quite hard and some were really good. We had a break in between where we enjoyed some tasty biscuits and juice. Our favourite activity was the counters activity where we had to balance as many counters as we could onto the paper and cup. We all had so much fun at the Maths Challenge and we came 6th place! We would love to go again next year.

Curry Night & Summer Celebration – Friday 4th July after school.

We're excited to announce that this year's annual Curry Night will be a little different — we're combining it with our Summer Celebration and Fair for one big, fun-filled evening on Friday 4th July!

We hope that bringing these two events together into one will encourage even more families to come along and enjoy the festivities. Tickets for curry will be on sale closer to the time so we can manage numbers for catering. The ticket price will include a delicious curry and access to a selection of activities.

In addition to the curry and included activities, there will be lots of extra games and entertainment for both children and adults. We're aiming to create a real celebration of our school year and the amazing children who make our community so special — all taking place on the Rec with food being served on the playground and/or school hall.

We've got plenty of ideas in the works, but we'd love your input too! If you have suggestions for how to make the event even more special for the children, or if you're able to help with planning, organising, or setting up, we'd be incredibly grateful. Staff are once again generously giving up their own time to help make this event happen and raise vital funds for our PTA — but many hands make light work, and any time you can offer would be a huge help. A Google Form will be sent out soon — please do take a moment to complete and return it if you're able to support.

Finally, a huge thank you to the Shan family for their unwavering support. They will once again be providing all of the food for our curry night at no cost to the school, which means every penny of profit can go directly towards enriching the experience of our children. Their generosity is deeply appreciated. We look forward to celebrating with you all on 4th July — let's make it a night to remember!

DON'T

Staff Training Day - Friday June 20th 2025

FORGET

A reminder that school is closed to children on this date.

Staff will be in school working on strategic planning for next year on this date.

Kingfishers and Owls - Music Trip to Cliffe Castle.

The classes are looking forward to their upcoming trip to Cliffe Castle. Pupils will be taking part in a music workshop exploring science and music as they “rock” out on Cliffe Castle’s lithophone (musical stones). They will also compare and group together different kinds of rocks on the basis of their appearance and simple physical properties. Finally they will have chance to improvise and compose music using different dimension and develop an understanding of the history of music.

Whilst we are there the children will also have the opportunity to explore the museum which links to a range of their prior learning in History and Science.

Please remember that children will need a packed lunch and water bottle for this trip!

A Message to Year 6 from all the adults in school.....

Dear Year 6,

As you get ready for your SATs next week, we just want to send you all the luck in the world! You've worked incredibly hard, and now it's your chance to show off everything you've learned.

But remember — these tests only show a tiny fraction of who you really are. They can't measure your artistic skills, the amazing personalities you all have, how brilliant you are at sports or what wonderful buddies you have been. They don't capture your kindness, your sense of humour, or how lovely you are as a group. All the things that are far more important than any test result.

So take a deep breath, do your best, and know that's all anyone can ask for. No matter what happens, be proud of yourselves! You're already so much more than any test could ever show, and we couldn't be prouder of you. You've got this!

Eco Warriors - Top Tips For Home!

Each week our Eco Warriors are going to share a top tip for home. This is your chance to help them in their work to make positive changes for the future.

If we have lunch on the rec, outside or inside do not leave rubbish on the floor!
Please can we help pick rubbish up.

Written by Rosie

Parent Forum

The next parent forum will be held on **Friday 23rd May at 9.10am.**

We will be asking for your support to review and update the home / school agreement which is sent out each year. With the help of the vision leaders we will also be consulting with the children for their part in the home / school agreement.

This is another opportunity to get together and think about how we can all work best together for the children and ensure that we are giving them the very best start in life.

Supporting Our Local Community – Kildwick and Farnhill Institute

Last term, Mr. Whitehead and Miss Akrigg visited the Kildwick and Farnhill Institute as part of our school's ongoing commitment to supporting the local community.

We were really impressed by the excellent facilities on offer and believe the Institute is a valuable asset to our village. For it to remain open and thrive, it needs to be used by local people – and we'd love to help make that happen.

Whether you're planning a one-off event like a birthday party, or looking for a regular venue for a group or class, we'd highly recommend considering the Institute. It's a flexible and welcoming space, ideal for all kinds of activities. It is also very reasonably priced and great value for money.

To help raise support for this important community provision, we're hoping to host some school-related events at the Institute soon, giving parents and carers the chance to see what's available.

Let's help keep this important community resource alive and well-used! To check availability or to make a booking, please ring Joanne on 01535 631168 or email KandFinstitute@gmail.com.

The Kildwick and Farnhill Institute Website can be accessed [here](#).

Kildwick and Farnhill Institute Calendar Competition.

Year 6 children will all be submitting entries for the 2026 calendar as a final project before they leave us in the Summer. It would be great if families could spend time around the village capturing and submitting some photographs of our wonderful local area.

Guidelines

- *Only scenes of the villages of Kildwick and Farnhill will be accepted
- *Avoid "Photoshopping" or enhancing images
- *Images should show publicly accessible areas only (No private gardens, please.)
- *Please try to choose new locations and angles, particularly if you are submitting images of the main buildings in the village (e.g. the White Lion, the church, the pinnacle, and canal bridges)
- *If featuring trees, please try to capture their full height
- *Avoid excessive shadows or blank foregrounds
- *Avoid unsightly phone/electric wires which might spoil the skyline
- *It would help us if you can let us know when the photograph was taken (which month) and to suggest a title
- *Please note: The calendar is printed "landscape", so please frame your views to allow for this. Photos that do not meet this format will be cropped if possible and if selected.

Please send an email to KandFCalendars@gmail.com with your entries attached, in high resolution. Maximum three images per entrant. The closing date for submissions is 30th June 2025. Entries will be judged anonymously by the Institute committee and selected by a show of hands.

Note: All photographs submitted become the property of the Kildwick and Farnhill Institute. They may be used on calendars in any future year. Entries submitted in previous years and not used in a calendar MAY be resubmitted.

Refill Shop

The next refill shop will be on Thursday 22nd May at 3.30pm. If you would like to place an order with Refill Roots then follow the link [here](#) and add the words refill shop Kildwick in the notes section. Charlie will bring pre orders on the day.

Zones of Regulation Top Tips for Home!

These are strategies for adults and children to use to help recognise and manage emotions. You could try this at home—have a look at this week's tool.

If you would like any further information you can contact Mrs Swales. k.swales@kildwickce.uk

FEEL IT

The Great Outdoors

- Go for a walk.
- Picnic on the grass.
- Swing in a hammock.
- Spend time in nature when and where you can.

Why to try?

Being in nature has been shown to have a positive effect on mental and physical health. Sunlight provides us Vitamin D, which is important for energy and mood. Being outside, particularly in the morning, can even help us with our sleep at night.

How do you feel?
What Zone would this help in?

Mental Health week 12-18th May

The Mental Health Awareness Week theme this year is 'Community'. The focus is on how communities can support our mental health and wellbeing through connection, belonging, and purpose. As a school, we are working on increasing our local community involvement and this will remain part of our School Strategic Plan for the next academic year.

As well as activities through the week, the children will take part in activities such as roasting marshmallows, treasure trails, yoga and den building on Friday afternoon on the Rec.

SEND @ Kildwick

*It is important that everyone in our school community understands about SEND. Even if your child does not have Special Educational Needs they are in class with children who do. We are an inclusive school and it is important that all members of our school community **understand and value all children in our school.***

Building Resilience in Your Children: Top Tips for ALL Parents

Building resilience is essential for all children, not just those with Special Educational Needs and Disabilities (SEND). Resilience is the ability to bounce back from life's challenges. Resilience doesn't mean avoiding difficulties; rather, it's about developing the skills to face and recover from them. Share with your children the long-term benefits of resilience, including improved mental health, academic persistence, and emotional regulation. Here are some top tips to help you foster resilience in your children!

- **Support healthy responses to conflicts with peers:** Disagreements and social setbacks are inevitable as children grow and learn to navigate friendships. Encourage your children to approach conflict with a calm mindset. When they report a conflict, listen actively to their concerns and validate their feelings. Teach them perspective by helping them consider the feelings and thoughts of the other party involved. Instead of rescuing them from the situation, help them to think of possible solutions or ways to respond in the future. Reassure them that disagreements are part of healthy friendships.
- **Promote a supportive home environment:** Create routines and structures that give them a sense of safety and predictability. This stability will empower them to face uncertainties. Encourage open communication.
- **Teach problem-solving and coping skills:** Guide your children in breaking down problems into manageable steps, which can be particularly helpful in reducing feelings of overwhelm. Discuss possible solutions together rather than jumping in to fix everything for them. Encourage positive self-talk by teaching them affirmations like "I can try again" or "It's okay to make mistakes." This positive reinforcement helps them build confidence in their abilities.
- **Model resilience:** Children learn a great deal by observing their parents. Share age-appropriate stories of your own experiences overcoming challenges and setbacks. Discuss how you managed your feelings calmly during tough times. Let your children witness that mistakes are a natural part of learning and growth.
- **Encourage a growth mindset:** Instill the importance of effort over outcomes by praising them for hard work and resilience instead of just results. Use language that reinforces perseverance, such as, "Let's try a different way if that doesn't work." This approach can foster a love for learning and a willingness to embrace challenges.
- **Foster independence:** Encourage your children to take age-appropriate risks, which are essential for growth. Allow them to take on responsibilities. Avoid being overprotective; instead, let them experience small failures from which they can learn valuable lessons.

By implementing these tips, you can help your children develop the vital skills needed to navigate life's challenges, thrive, and ultimately become resilient individuals!

Year One Phonic Check - Information for Parents and Carers.

The Phonics Screening Check is a nationwide assessment that takes place annually. This year it will take place Week Commencing Monday 9th June. It's designed to evaluate children's progress in phonics learning and ensure they've reached an appropriate standard. This check isn't meant to be stressful for the children - in fact, we don't even call it a 'test' at school!

During the check, each child will spend about 10 minutes one-to-one with Miss Akrigg, reading aloud a mix of 40 real and 'nonsense' words. These 'non-words' are clearly marked with a small alien image and are crucial for assessing pure decoding skills. Don't worry if your child finds some words tricky - there's no time limit, and we can pause or stop if needed.

The check helps us identify areas where children might need extra support or are excelling in their phonics knowledge. It's a valuable tool that allows us to tailor our teaching to each child's needs.

We'll report the results to you in your child's annual report. We'll let you know how your child performed and discuss any additional support that might be beneficial. If a child doesn't meet the expected standard in Year 1, they'll have another opportunity in Year 2. It's worth noting that some Year 2 children might also take the check if they didn't achieve the required outcome last year or haven't taken it before. Headteachers have the discretion to exempt certain pupils if circumstances warrant it.

We have been preparing all our children thoroughly for this check. It's just one of the many ways we ensure every child at Kildwick CE Primary is making progress in their reading journey. If you have any questions or concerns about the Phonics Screening Check, please don't hesitate to get in touch with Miss Akrigg, Mrs Carpenter or Mrs Kingham.

Year Four Multiplication Check - Information for Parents and Carers.

Year 4 children will be participating in the multiplication tables check (MTC) in June. The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help your child's school to identify if your child may need additional support.

What is the multiplication tables check?

It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

What if my child cannot access the check?

There are several access arrangements available for the check, which can be used to support pupils with specific needs. Your child's teacher will ensure that the access arrangements are appropriate for your child before they take the check in June. The check was designed to be inclusive and accessible to as many children as possible, including those with special educational needs or disability (SEND). However, there may be some circumstances in which it will not be appropriate for a pupil to take the check, even when using suitable access arrangements. If you have any concerns about your child accessing the check, you should discuss this with Mrs Farmery, Mrs Ahmed or Mr Horton (Maths Leader).

Year 4 Multiplication Tables Check

$$3 \times 7 =$$

$$9 \times 8 =$$

$$12 \times 9 =$$

Friday 18th July - End of Term

Kildwick Fell Race - Wednesday 21st May

There will be a full set of races open to all children aged 6 and over starting from 6:30pm. Registration forms will be sent home and emailed over the coming weeks. Please take these to the White Lion on the night from 5.30pm. The adult race will start at 7.30pm and is 3.5 miles. It would be brilliant if we could get some of our running parents racing. It is a great route and Mr. Whitehead would be happy to show any prospective parents the race route. Please get in touch if you would like to know further details.

The school's PTA will be serving refreshments and any help with this would be appreciated. If you would like to support with marshalling the fell races, then please do get in touch with the school office.

Proceeds from this race will be donated to the Tessa Jowell Foundation, a charity with a mission to ensure that every person diagnosed with brain cancer in the UK can choose to access consistently excellent, specialist brain cancer services.
