To find out about toys in the past, we can ask parents and grandparents about what toys were popular when they were young. Some toys that were popular when parents and grandparents were young are: Lego, Polly Pocket, Mr Potato Head, Slinky, Etch a sketch, Game boy, Model figures ❑ The early 20th century was before grandparents and parents were born. Some toys that were popular in the early 20th century were Meccanno, Wax crayons, Teddy bear, Tin cars, Model airplane, Mickey Mouse, Monopoly ❑ Some toys that were invented in the past (e.g. Teddy bears, crayons and Meccanno) are still played with today. 		
technology	Using science to make things.			
20th century	The 100 years from the year 1901 to the year 2000.	<ul style="list-style-type: none"> ❑ Some toys have changed from when they were first played with in the past. Some toys are made of different materials today, now that new materials like plastic have been invented. Toys are also safer today due to safety rules. Attitudes have changed too. In the Victorian times children
