Dear Parents / Carers

We can all breathe a sigh of relief as we arrive at the end of the school year. I think we have managed remarkably well to get to the last week without any bubble closures.

I am sure that you will agree with me that It has been an emotional, stressful and exhausting roller-coaster ride. Despite this, I can honestly say I have never been prouder of our school community, my colleagues and my profession. I am also proud of our children and parents who have risen to every challenge that has been sent our way; you have truly done a marvellous job! We may not have got every decision right, we may not have pleased everyone, but we have put our hearts and souls into it and look at what we have all achieved!

We say a fond farewell to our wonderful Year 6 children. I have been so pleased that they have been able to have some of the traditional end of year 'fanfare' and am certain that they'll have very fond memories to take with them. We send them off with all our love and look forward to seeing and hearing all the wonderful things that they get up to.

I wish you all a lovely summer break and will look forward to welcoming you all back to school on Tuesday 7th September and meeting our new Reception children on the 8th September. I will, of course, update you with any fresh information nearer to the start of the new term.

Loving to Learn

IDL

It would be great if the children who have access to this resource continued to use it over the summer. If you need a reminder of login details, then please contact your child's class teacher.

Reading Scheme in School

We have had to remove a number of damaged books and will be replacing these. If you would like to contribute, the cost of each book is approximately £5. We have not had this scheme long and a number of books are water damaged, torn or drawn on. It is very important to us that our children have good quality books which reflect our approach to reading. This will be added to parent pay before the holiday and you can make a contribution towards the purchase of replacement books via this method.

Thank you.

Google Classroom

We will continue to use Google Classroom for homework and spellings and for communication with the children and with parents (in EYFS & KS1). Please ensure you / your children have access to this platform.

Summer Reading

We would encourage all children to continue with reading over the summer. There is a reading challenge at the local library once again. For EYFS and KS1 children, you still do have access to the Big Cat Collins reading scheme
