# Newsletter

W/C 4th July 2022

Dear Parents and Carers,

Most of our Year Six children were at South Craven for their induction days this week and all our children spent two mornings with their new teacher. We also welcomed our new reception children into school this week. They even stayed for lunch and I can see that they (and their parents) are very excited to start for real in September and become part of the Kildwick school family!

Year Five were out at South Craven last week in preparation for their transition into secondary school next September (2023), where does the time go?!

It was great to be able to hold our sports day again this summer, thanks for coming to support this traditional event.

Thanks to all parents for supporting our summer fair last Friday and making it a day to remember. We hope that you all enjoyed the entertainment and refreshments. Thank you for all your contributions and the tireless work of the PTA and staff in school who give their time generously to organise these events. It really is appreciated. Total amount raised tbc.

You will be receiving your child's annual report next week. Please take a moment to reflect on it and fill in the parent comment section. If you would like to discuss any element of it then please do get in touch.

Have a lovely weekend,

Mr Whitehead,

Headteacher.

## Dates for your diaries...

11.07.22 - EYFS Graduation - 14:00

11.07.22 - End of year reports sent out to parents

12.07.22 - Buddy Trip to Lytham St Annes

15.07.22 - Year 6 Show at South Craven - 18:00

19.07.22 - Pendle Wavelengths Trip - Year 6

20.07.22 - Settle Trip - Class 3 & 4

20.07.22 - Year 6 Leavers Party From 15:30 - Peggy Wilson Playing Field

22.07.22 - Year 6 Leavers' assembly am – Time/Further Details TBC

## Walking Bus

We now operate the walking bus from Cross Hills Co-op Car Park twice a week (Mondays & Thursdays), setting off at 8.30am. All are welcome to join. Please sign up for free on Parent Pay.

## Nut Aware School

Just to remind you that we have children in school with nut allergies and we are a 'nut aware' school. Please be mindful of this and make sure that all contents of packed lunches do not contain nuts.

## Allergy Aware School

## Dogs on the Playground

A polite reminder that dogs are not allowed on the school premises. We have children in school who are allergic to dogs. Please can this message be passed on to any family/friends who might drop off and collect children from school too.

# Learning to Live

## Platinum Jubilee Celebration

We had a wonderful time celebrating the Queen's Platinum Jubilee on the Peggy Wilson Playing Field. Each Key Stage learnt a song and a dance to perform in front of parents. Children also had the opportunity to enter a Platinum Portrait competition and a Platinum Pudding competition. Thanks to parents and carers for coming into school to judge the competition. The cakes were then sold afterwards and we raised £164.18p for school funds. Thank you for joining us to celebrate and buying some cakes!

# Learning to Live

## Kildwick Primary Sports Day

It was great to be able to have our sports day, even if it was touch and go weather wise. Each child received a certificate for taking part. First, second and third for each race were added up and the winning Core Value House were presented with the trophy and will receive an extra playtime reward before the end of term. The winning Core Value House was Respect with 150 points. The website will be updated with more photos soon.

## Year 6 Cycling at Catterick

Eight children progressed to an inter school competition held at Michael Sydall Primary School in Catterick. There were five events across the day, including; 50m sprint knockout, 200m team time trial, Elimination Race, 1 lap scratch race and a cyclo cross final. Lewis came second in the 50m sprint knockout, Kildwick came second in the 200m time trial and Zach came third in the cyclo cross final. Everyone had a fantastic day, visiting and competing against some different schools in North Yorkshire.

## Kildwick Fell Race

Kildwick Fell race took place on Wednesday 8th June and after a gap due to the pandemic. Mr Whitehead has taken over the organising of this event. It is registered with the Fell Runners association (FRA) and included a full set of junior races. Over 30 KS2 pupils took part in this race and the results can be found here.

Some fantastic Race pictures can also be found by clicking the following links

# Learning to Live

## Tennis Trip!

Year 3, 4, 5 and 6 had the opportunity to take part in a tennis coaching session at Ilkley tennis club, followed by watching some of the Ilkley trophy professional matches.

## Year 6 Careers Event

Year Six pupils took part in a career morning to introduce them to a variety of jobs. Children quizzed participants on different aspects of their jobs, including how they ended up in that career and also the advantages and disadvantages of their job. Several different occupations were represented at the event. This included staff from HMRC, the NHS, a solicitor, a police officer and a stonemason. The children were inspired by all participants, with the police force and working in the global chemicals industry being of particular interest to them. One pupil commented, "We learnt all about their jobs and we also got some new ideas of what we can be when we grow up."

# Learning to Live

## Mini Olympics at South Craven

Children from Year One and Two had the opportunity to take part in a carousel of sporting activities and challenges. This event was organised by South Craven and supported by their sports leaders. The children had great fun and each received a medal.

## Art Club

This half term art club have been exploring the colourful self-portraits of the Mexican artist Frida Kahlo

# Living to Love

## Another School Wedding!

Congratulations to Hannah from the school office who got married last weekend. She will now be known as Mrs Parker. Everyone at Kildwick wishes her and her new husband all the best for their married life together with their children.

## Father's Day Celebrations

Robins and Swallows were delighted to welcome Dads, Mums, Grandmas, Grandads, Uncles and Brothers for lunch on Friday. They had a lovely lunch together before playing on the playground and then the children read with their adult. The children really showed off their decoding skills and we heard lots of fluent and expressive reading too. All adults took a copy of our school reading booklet which can also be found on the website.

Thank you to all the Parents and Carers for their involvement in school!

## Judo Visit

Hajime Judo Club, based in Sandylands Sport Centre, Skipton came to school to provide all classes with a free judo taster session. Judo is one of the most traditional martial arts and promotes confidence, teamwork, respect as well as significantly improving coordination, balance and overall fitness.

## Year 5 Girls Rugby Mega Fest

Our Year Five girls took part in a rugby mega fest organised by Keighley RUFC. They took part in a carousel of activities to develop their rugby skills and competed in Tag Rugby games against other schools. The day was run by qualified coaches and supported by sports leaders from South Craven. They all had a great time.

## Mr Burns has been Shot! - Year 5 Science Investigation

Ten children from Year 5 attended a science event at South Craven School on Wednesday 25th May. It was an excellent opportunity for students to recognize how science can be applied to real life situations.

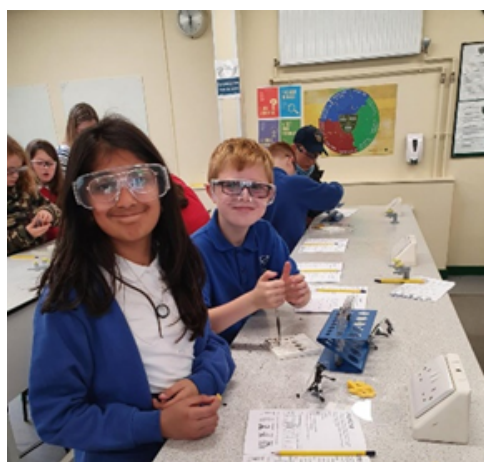

When the children arrived they received a report that Mr Burns (from The Simpsons) had been shot! There were many potential suspects who had reasons to be angry at Mr Burns but the police department had narrowed it down to five suspects. In the frame were: Homer, Lisa, Mr Smithers, Grandpa and Barney.

Evidence found at the crime scene included:

- A handwritten shopping list in black ink
- A number of fingerprints
- Soil samples
- Numerous hairs and clothes fibres
- Unknown chemical on the footpath

The Year 5 detectives conducted a series of tests, using the laboratories at South Craven, to compare samples taken from all the suspects with the crime scene evidence. By the end of their enquiries most of the group were pointing the finger of suspicion at Grandpa!

Everyone who attended the event thoroughly enjoyed themselves (teachers included) and it is hoped that these experiences will inspire the next generation of scientists.

## New Website for 4-7 year olds – Jessie and Friends

We are delighted to announce the launch of a new website for 4-7 year olds and accompanying guide for parents and carers.

### What's New ?

The website is based on the three-episode Jessie & Friends animated series, which aims to equip 4-7 year olds with the knowledge, skills and confidence they need to stay safer online. It is intended to be used by 4-7 year olds alongside their parents and carers, or within education settings as a learning tool.

The new interactive website encourages 4-7s to engage safely online by helping them to recognise worrying, upsetting or scary situations and reinforcing the key message that they should 'Tell A Grown Up' in these instances. The website is divided into sections for 4-5 and 6-7 year olds and features relevant and age-appropriate games for the chosen age bracket. Each game focuses on one of four topics:

- watching videos
- chatting online
- sharing pictures
- gaming online
- 

The Jessie & Friends episodes are also available to watch on the new website to enhance understanding. Take a look at the new website [here](#).

### Parents and carers guide

The guide aims to support parents and carers in navigating the website alongside their child. It provides information on the background and purpose of the website, in addition to information about each of the games and conversation starters to use with children. The guide is available for you to download and share with parent and carer networks within your setting. [Download the parents and carers guide here](#)

Solihull Approach online parenting courses are FREE for all North Yorkshire parents, carers and foster carers.

Visit the website: [www.inourplace.co.uk](http://www.inourplace.co.uk) and add the access code NYFAMILIES

Courses include: Understanding your baby, Understanding your Child, Understanding your child with additional needs, Understanding your teenager and Understanding your child's mental health.

Together the NHS North Yorkshire CCG and North Yorkshire County Council are launching a new pool of resources which have been developed with partners and young people to help children and young people and their parents, carers and professionals' access mental health support in North Yorkshire.

The new suite of resources are being launched during Safeguarding Awareness Week (20–24 June) to ensure children and young people across North Yorkshire are aware of support available and can access the right support at the right time and include:

- A Young Person's guide to Mental Health Support . A resource created and designed by young people across North Yorkshire for young people to help them find the right support, whether it be finding out more information, talking to someone or accessing more specialised support
- A Mini Marketplace and a Needs based guidance for Social and Emotional Mental Health (SEMH) for Children and Young People In North Yorkshire to support professionals working with or parents and Carers with Children/Young People across North Yorkshire find the most appropriate mental health support based on a child/young person's needs.
- An animation to raise awareness of The Go-To as a resource to support Children and Young Peoples Mental health.

All of these documents can be accessed and downloaded via the above links and our the go-to website. and a leaflet version of our young person's guide to mental health will be distributed and accessible within schools across North Yorkshire in the upcoming weeks.

We hope you find these resources helpful and would very much appreciate you sharing this with your wider networks.

# SEMH Virtual Drop-In for Parents

North Yorkshire  
County Council

Do you live in Harrogate, Ripon, Knaresborough or Craven and have a child or young person who faces barriers or difficulty in school due to social, emotional or mental health (SEMH)?
