Summer Term 2024 Friday 14th June 2024

Learning to Live

Living to Love

Loving to Learn

We are still waiting for the sunshine to arrive in what is supposed to be the Summer term! Keep everything crossed that the rain holds off for the Gala tomorrow. We hope to see lots of you there to celebrate everything Kildwick and Farnhill and to raise money for some great causes. Good luck to the children who will be taking part in the choir and dancing through Soul Dance Academy—we always enjoy celebrating Kildwick School talent. Thank you to all of you who are giving up time to support this community event.

Have a wonderful weekend and we will see you on Monday.

Year One and Two—Girls Football

Year One and Two have had the opportunity to take part in some girls football training led by West Riding Football Association. This culminated in a tournament held at Silsden FC. They worked hard as a team and put their new skills into action. We also came away with a new football kit and a set of footballs. We hope that some of these budding football stars will continue to play at their local clubs and we hope that we can continue a girls only football club at school.

Our very own Lionesses did us proud!

Year 5 day at South Craven 2nd July

Children need to wear school uniform and trainers for a day of performance activities and technology workshops. Please also bring a packed lunch.

Year 5 Bikeability

This is taking place on 24th and 25th June for ten pupils and on 3rd and 4th July for ten pupils. This will be led by North Yorkshire trained Bikeability instructors. All children will need a road worthy bike, in good working condition and a helmet. Please let school know if this may cause a problem and we can assist with borrowing one.

Reception Pedal and Scoot

On Friday 5th July, the Reception children will have their 'Pedal and Scoot' day with Ed.

Information has been sent to parents and carers. Please ensure that you return the information we need from you as soon as possible—this will help us organise the day. We would welcome as many parent helpers as possible to get our little cyclists riding their bikes and developing their riding skills.

Fancy being a Teacher?

Recruitment into Teaching is at an all time low. Red Kite have asked that we share this information with families—please pass on if you know anyone who is considering a career in teaching.

If you would like to 'dip your toe', we always welcome volunteer helpers into school. Please contact the school office if you would be interested in volunteering in our school. This can be helping in a class, coming on school trips or listening to children read. If you would like to volunteer in school, then please contact the school office.

PTA Spending

A big thank you to all of you for your contribution to fundraising throughout the year. We have recently purchased new tables for Swallows class funded by the PTA. They are neutral tables to help create a calmer and less cluttered environment to help learning.

We are also in the process of purchasing an outdoor storage cupboard to keep books and resources in. This will be funded by the PTA. This will be in the grassed area of the playground for children who prefer quieter activities at playtime and lunchtime. We will also be adding some fencing to this area to keep it more separate from the rest of the playground.

Year Six parents are currently planning a leavers 'get together' on the Rec. The PTA will be donating £150 towards an inflatable slide for them.

Meet the Team

There are a lot of adults in school working with and supporting your children. Some of them you will have less contact with than other staff. We thought we would use the newsletter to help parents and carers get to know everyone.

Mrs Kingham

My name is Caris Kingham and I have been the Intervention Leader at Kildwick School for the last 18 months. I work with children from across the school in small groups and on a one to one basis supporting learning in class. Children come to work with me in the quiet space of the Intervention Room and benefit from these smaller group interactions which really helps their confidence in class. I also teach Year One maths on Monday, Tuesday and Wednesday mornings. I really believe in helping children to reach their potential, celebrating small steps in progress along the way. In my spare time, I like to stay active playing tennis at Skipton Tennis Club and I enjoy running (I am often found at a Park run on a Saturday morning). I also keep busy with my two children who are in Year 4 and Year 7 at schools in Skipton.

Special Educational Needs & Disability @ Kildwick

You can find information regarding SEND at Kildwick on the website [here](#).

It is important that everyone in our school community understands about SEND.

Focus on Dyslexia

Dyslexia is a learning difficulty that primarily affects the skills involved in accurate and fluent word reading and spelling. Characteristic features of dyslexia are difficulties in phonological awareness, verbal memory and verbal processing speed. Dyslexia occurs across the range of intellectual abilities. It is best thought of as a continuum, not a distinct category, and there are no clear cut-off points. Co-occurring difficulties may be seen in aspects of language, motor co-ordination, mental calculation, concentration and personal organisation, but these are not, by themselves, markers of dyslexia. A good indication of the severity and persistence of dyslexic difficulties can be gained by examining how the individual responds or has responded to well-founded intervention. In addition to these characteristics: The British Dyslexia Association (BDA) acknowledges the visual and auditory processing difficulties that some individuals with dyslexia can experience and points out that dyslexic readers can show a combination of abilities and difficulties that affect the learning process. Some also have strengths in other areas, such as design, problem solving, creative skills, interactive skills and oral skills.

For more information regarding Dyslexia and Dyscalculia [click here](#). If you have any concerns regarding your child and Dyslexia or Dyscalculia please speak to your child's Class Teacher. This newsletter is now written using a 'Dyslexia friendly' font.

Governor Meetings

For information, Kildwick CE Primary School Governor meetings will take place on the following dates:

20th June 2024—Strategy Meeting

9th July—Full Governing Board Meeting

Water Safety

The Royal Life Saving Society's (RLSS) Drowning Prevention Week takes place from 15-22 June. It aims to raise awareness of water safety ahead of summer, when the risk to the public through accidental drowning increases significantly.

Children in school will be joining virtual sessions aimed at educating them on the dangers open water poses, such as cold water shock, hidden undercurrents and unseen operational machinery, as well as how to keep themselves and their friends safe and what to do in an emergency situation. This is age appropriate for each class.

Parent/Carer Support Group Supporting Emotional and Mental Health

THIS MONTH'S TOPIC: SUPPORTING YOUR CHILD: SOCIAL MEDIA AND ONLINE SAFETY

In this month's Parent Support Group, we will be discussing what social media is, how this may be used by children and young people and the potential impact that social media may have on emotional wellbeing. We will also think about strategies for keeping safe online.

End of Reception celebrations 2024!

This half term, our Reception children will finish their Early Years Foundation Stage education and will be ready to move onto Year One! To celebrate this we would like to invite parents and carers into school on Tuesday 9th July at 2pm. This is an opportunity to reflect on their learning and experiences over the past year and show the children just how proud of them we are!

The children will also be having a buddy afternoon (Reception and Year 6) on Monday 8th July—Reception and Year 6 children can come to school in non uniform on this day. We are so proud of our Year 6 buddies for taking such good care of the Reception children and we look forward to an afternoon of fun together!

Robins and Swallows PE / Tennis

On Tuesday 18th June Robins and Swallows will have PE. This is due to the Inset day on Friday 21st June. Please send children in their PE kits on this day. Thank you.

Inset Day

A quick reminder that school is closed to children on Friday 21st June.

This week certificates have been awarded to:

Zones of Regulation

Top Tips for Home!

Each week we share a 'tool' from the Zones of Regulation 'toolkit' in this section of the newsletter. These are strategies for children (and adults!) to use to help recognise and manage emotions.

If you would like to learn more about this Mrs Swales will be running a Zones of Regulation session for parents and carers on **Friday 28th June 9:15am—10:30am**. Please email office@kildwickce.uk if you are able to attend.

Extra Curricular Clubs next week

A quick reminder that most clubs do not run in the first and last week of each half term. Please keep an eye here to see which clubs are running each week.
