

Kildwick Chronicle

Summer Term 2024

Friday 7th June 2024

Learning to Live

Living to Love

Loving to Learn

Welcome back to the final half term of the school year! It has already been a busy start to this half term. This week, Kingfishers and Owls have been to Murton Park and EYFS and Key Stage One have been to 'Wild Explorers' at Broughton Hall. Some Year Three and Four children attended a cricket event and Year One and Two girls went to a football tournament in Silsden. Our Year One children have also been for their first school swimming lesson this week and were amazing. Many schools don't start school swimming until Key Stage Two but we feel that the younger children start learning this important life skill the better! Well done to all those children who have taken part in these activities and a big thank you to all the staff involved in planning and organising these experiences for the children.

Year Six will continue making their final Kildwick memories this half term with their residential trip, an afternoon at Wavelengths swimming pool, a buddy celebration with their Reception buddies and their end of year performance.

It's hard to believe that our Reception children have been with us for almost a full school year. They will be celebrating the end of their Early Years education by inviting you into school to share their memories—see further down this newsletter.

It's certainly going to be a busy one so please keep an eye on the newsletter to keep up to date! Have a lovely weekend and we will see you on Monday.

Staffing 2024—2025

Teachers will be in the following classes next year:

- Robins (Reception and Year One) —Miss Akrigg
- Swallows (Year One and Year Two) —Mrs. Carpenter
- Kingfishers (Year Three and Year Four) —Mrs. Snook & Mrs Oswald
- Owls (Year Four and Year Five) —Mrs. Farmery
- Eagles (Year Six) —Mr. Horton

An email will be sent out to parents and carers of Reception and Year Three children on Friday 21st June regarding which class their child will be in for Year One and Year Four. Please note that careful consideration is given to this decision based on a number of factors. This is **not** a decision based on the academic ability of your child. All Year One and Year Four children are taught the same curriculum regardless of their class.

Year One children are all taught phonics and maths as a single year group which means they are in a smaller group (not a full class size) and taught with their year group peers. Music lessons are delivered in year groups throughout the school.

Summer 2 Diary Dates

W/C Monday 10th June

Year 1 Phonic Screening Check

Tuesday 11th June

Year 6 Career Fair

Friday 14th June

Kingfishers & Owls Mini Olympics

Saturday 15th June

Kildwick and Farnhill Gala

Friday 21st June

Inset Day—School closed to children

Wednesday 26th—Friday 28th June

Year 6 Residential

Friday 28th June

Parent and Carers Zones of Regulation session

Monday 1st July

All children - Transition Day (Yr 6 to South Craven)

Friday 5th July

Reception Pedal and Scoot

Monday 8th July

Reception & Yr 6 children Buddy afternoon

Tuesday 9th July

Reception End of EYFS Celebration 2pm(School Hall)

Friday 12th July

PTA Summer Disco

Monday 15th July

Tuesday 16th July

Year 6 Swimming—Wavelengths

Friday 19th July

Year 6 leavers' assembly—9.30am

Friday 19th July

School finishes for Summer

Monday 22nd July

Inset Day—School closed to children

Year 5

Year 5 Open Evening

2025 Entry

Thursday 27th June 2024

5.45-8.00pm

We invite you and your child to meet our staff, speak to our students and discover our fantastic facilities!

There will be a talk from the Headteacher at 6.00pm, which is repeated at 6.45pm.

You do not need to book in advance, but you are asked to register your attendance via QR code on the evening. Please be aware that parking is limited.

Can't make it? You can find plenty of information on our website (www.southcraven.org).

Gates will open at 5.45pm. Please do not arrive early.

South Craven School

Year 5—Bikeability

This is taking place on Monday 24th and 25th June for ten pupils and on 4th and 5th July for ten pupils, This will be led by North Yorkshire trained bikeability instructors. All children will need a road worthy bike, in good working condition and a helmet. Please let school know if this may cause a problem and we can assist with borrowing one.

Governor Meetings

For information, Kildwick CE Primary School Governor meetings will take place on the following dates:

20th June 2024—Strategy Meeting

9th July—Full Governing Board Meeting

Our latest Governing Board update can be accessed [here](#) on the school website.

Train to teach with Red Kite Teacher Training

Join us for an online information event
Thursday 13th June 7.00-8.00pm

Considering your next career move, could teaching be for you?

Join us online to find out what it is like to train to teach with Red Kite Teacher Training.

Red Kite Teacher Training is an Ofsted Outstanding Provider of school-based teacher training in North and West Yorkshire. We work in partnership with schools across the region, as well as the University of Leeds.

**Primary
Primary Part-time
Secondary**

[CLICK HERE to register for a place on our teacher training information event](#)

www.redkiteteachertraining.co.uk

Fancy being a Teacher?

Recruitment into Teaching is at an all time low. Red Kite have asked that we share this information with families—please pass on if you know anyone who is considering a career in teaching. If you would like to 'dip your toe', we always welcome volunteer helpers into school. Please contact the school office if you would be interested in volunteering in our school. This can be helping in a class, coming on school trips or listening to children read. If you would like to volunteer in school, then please contact the school office.

Meet the Team

There are a lot of adults in school working with and supporting your children. Some of them you will have less contact with than other staff. We thought we would use the newsletter to help parents and carers get to know everyone!

Mr Schofield

My name is Matthew Schofield and I've been teaching music throughout Kildwick School for nearly four years now.

We learn our music in Reception and KS1 through simple songs, rhymes and games, with the emphasis very much on enjoying our music and working together. Then in KS2 we put our musical skills to the test through a series of projects exploring musical history and a variety of instruments while creating our own masterpieces - watch this space!

I run a KS2 choir on a Tuesday lunchtime in school and it would be great to have more children involved from September!

PTA Request

We will be holding the PTA Summer disco on Friday 12th July. As we are not holding the school Summer fair this year (in support of the village Gala), we intend to make the Summer disco our main event for the children. We would love support from anyone who can do the following:

- *Face paint
- *Hair braid
- *Henna
- *Temporary tattoos
- *Coloured hair spray
- *Decorate with a festival vibe!
- *More ideas welcome!

Robins' and Swallows' disco will take place during the school day

and

Key Stage Two disco will run from 3:30pm—5:15pm.

If you are able to help, please contact Gemma Harling on 07792 845885

Special Educational Needs & Disability @ Kildwick

IN OUR CLASS...

we each have different things that we find hard.

NeuroWild

You can find information regarding SEND at Kildwick on the website [here](#).

It is important that everyone in our school community understands about SEND.

If you have any questions about SEND at Kildwick CE School please speak to Miss Akrigg.
d.akrigg@kildwickce.uk

Staying Safe Online—SEND

Although we often draw your attention to the negatives and risks of being online we do know that being online can be positive for children and young people, including those with additional needs. We live in a world where lots of our communication takes place online.

Sometimes online platforms like the apps, social media sites and games your child accesses can help them connect and make friends with new people that they might not know offline. As a parent or carer, you play an important role in helping your child to have positive experiences online.

If your child has additional needs, then this role can be even more important, and it can feel overwhelming when you hear about some of the risks young people face online. It is important that you have the knowledge and information to help you keep your child safe and have positive online experiences.

Have a look at this [link](#) from the NSPCC about SEND children staying safe online.

Water Safety

The Royal Life Saving Society's (RLSS) Drowning Prevention Week takes place from 15-22 June. It aims to raise awareness of water safety ahead of summer, when the risk to the public through accidental drowning increases significantly.

Children in school will be joining virtual sessions aimed at educating them on the dangers open water poses, such as cold water shock, hidden undercurrents and unseen operational machinery, as well as how to keep themselves and their friends safe and what to do in an emergency situation. This is age appropriate for each class.

Parent/Carer Support Group Supporting Emotional and Mental Health

THIS MONTH'S TOPIC: SUPPORTING YOUR CHILD: SOCIAL MEDIA AND ONLINE SAFETY

In this month's Parent Support Group, we will be discussing what social media is, how this may be used by children and young people and the potential impact that social media may have on emotional wellbeing. We will also think about strategies for keeping safe online.

End of Reception celebrations 2024!

This half term, our Reception children will finish their Early Years Foundation Stage education and will be ready to move onto Year One! To celebrate this we would like to invite parents and carers into school on Tuesday 9th July at 2pm. This is an opportunity to reflect on their learning and experiences over the past year and show the children just how proud of them we are!

The children will also be having a buddy afternoon (Reception and Year 6) on Monday 8th July—Reception and Year 6 children can come to school in non uniform on this day. We are so proud of our Year 6 buddies for taking such good care of the Reception children and we look forward to an afternoon of fun together!

SELFA Fundraising

A huge thank you to everyone who donated towards the SELFA fundraiser at the end of last half term. We raised £200 for SELFA. As previously outlined, SELFA support children at Kildwick School and we are delighted to be able to give something back to them. Information on SELFA can be found [here](#). Please speak to your child's class teacher or Miss Akrigg if you feel your child would benefit from a referral to SELFA.

SELFA Skipton—Our goal is to work towards a community where all children and young people are celebrated and know they belong. We support children and families experiencing vulnerabilities, to build resilience, thrive and achieve.

Online Safety Newsletter

June 2024

Kik

Kik state you must be 16 years of age to use the app.

What is Kik?

Kik is classed as a social network where users can message each other, share photos/videos as well as video chat.

What do I need to be aware of?

- Groups – once a user joins a group then your child can receive messages from other members of that group. Some of the groups are centered around topics that are inappropriate for under 18s.
- Adverts
- Location sharing
- Explicit content – including images, videos and messages.
- Live streaming/videos - risk of seeing/hearing inappropriate content.
- Talking to strangers

What parental controls does Kik offer?

Kik does have reporting and blocking tools as outlined here:

<https://kikhelpcenter.zendesk.com/hc/en-us/articles/4402400774043-What-can-I-do-if-my-teen-has-received-an-unwanted-or-inappropriate-message>

Further information

- <https://parentzone.org.uk/article/kik>
- <https://www.nspcc.org.uk/keeping-children-safe/online-safety/social-media/chat-apps/>

Check age ratings!

There is so much that we can do online nowadays including playing games, chatting with others, watching TV or sharing our videos/photographs. Being online can be great but it is important that we set boundaries for our children to keep them safe whilst they explore being online, develop their digital resilience and understanding of what to do if anything negative happens when online.

So how can we help keep our children safe? We can start by checking age restrictions/ratings. **It is important that we follow these to ensure that what our children are doing or seeing online is appropriate for their age.**

Where can I find age ratings?

Films: The British Board of Film Classification (BBFC) rate films. This page includes a link to a 'Parents' Guide to Age Ratings':

<https://www.bbfc.co.uk/resources/viewing-films-safely-online>.

Video games: PEGI provides age classifications for video games. PEGI considers the age suitability of a game, not the level of difficulty. It is important to note that PEGI do not take into consideration user generated content within games (such as on Roblox) and chat facilities within games.

Apps: Check the individual age ratings within the relevant app store. We also recommend that you download any apps and play them yourself to check their suitability.

Social Media: All social media networks have a minimum age rating; they are all at least 13+.

What else can I do?

- Explain the importance of age ratings to your child.
- Go online together to see what your child is accessing.
- Set up parental controls on your broadband, devices and on any individual apps that your child is using. This will reduce the chances of them accessing or viewing anything unsuitable.
- Chat to your child regularly about what they are doing online and as always, remind your child that if anything is worrying them then they should talk to you or another trusted adult.

Further information

You can find out more here:

<https://www.bbc.com/ownit/take-control/understanding-age-ratings>

Users of this guide do so at their own discretion. No liability is entered into.
Current as of the date released 01.06.24.

Chatting online

Following a recent report by the BBC detailing how a child was asked for inappropriate images when chatting online (source: <https://www.bbc.co.uk/news/uk-england-gloucestershire-68616730>), we thought we would discuss the dangers your child might face when communicating with strangers online.

In addition to social media apps that include a chat facility, most online games also allow communication, for example FIFA and Fortnite. Depending on the game, this may be via the in-game text chat, direct messages or talking through headphones. Some games do offer the ability to switch communication off or restrict bad language so make sure settings appropriate to your child are set up for each of the games they play. You need to be aware that there are people who may use these games to start chatting to your child and then encourage them to chat on alternative apps (which are more private, encrypted or have fewer safety options). Talk to your child about the dangers of doing this.

What risks are there with chatting online?

- Bullying
- Inappropriate chat – children may encounter explicit or inappropriate content.
- Contact from strangers – talk to your child about who is contacting them online.
- Sharing personal information – talk to your child about what information they share with others including images.
- Sextortion - this is a form of blackmail where somebody threatens to share a nude/sexual image of you.

How can I mitigate the risks?

- Ensure your child is accessing age-appropriate apps/games and that appropriate parental controls are set up.
- Chat to your child about the risks above so they are aware of what can happen online.
- Depending on the age of your child, it may be more appropriate for devices to be used in family rooms so you can monitor what they are doing and if they are chatting to others.

Reporting other users

It can be difficult to moderate online chat so ensure your child knows how to block and report others who make them feel uncomfortable and that they know to talk to you or a trusted adult if they have any concerns.

Further information

- <https://www.ceopeducation.co.uk/parents/Concerned-about-your-child/Online-contact-and-staying-safe/>

Tips to promote positive body image

If your child is viewing content online, particularly on social media, then the images they are seeing may be edited or even fake. A child may not yet be able to distinguish between reality and what is not real/fake, which may impact their own body image.

Internet Matters provide advice on how to empower your child to develop a positive body image and what you can do to help. Find out more here: <https://www.internetmatters.org/resources/promoting-positive-body-image-with-children/>

CBeebies Little Learners app

The CBeebies Little Learners app has been created with BBC Bitesize and educational experts to provide your child with a fun learning experience. It includes activities based on the UK's Early Years Foundation Stage framework, for example sounds and letters and numbers and shapes. You can learn more here: <https://www.bbc.co.uk/bitesize/articles/zndj4h4j>

LEGO Build and Talk

LEGO® have created Build and Talk to help you chat to your child about online safety. The activities have been created for children ages 6 to 9.

Firstly, you pick an activity to do and then you read a story, which includes questions and conversation prompts, whilst you build LEGO® together. This is a fantastic way to start talking to your child about topics such as screen time and cyberbullying. Find out more here: <https://www.lego.com/en-gb/sustainability/children/buildandtalk/>

This week certificates have been awarded to:

Zones of Regulation

Top Tips for Home!

Try another of our 'tools' from Zones of Regulation. Encourage children to use these at home to help develop self regulation skills. Great for adults too!

Mrs Swales will be running a Zones of Regulation session for parents and carers on Friday 28th June 9:15am—10:30am.

Please email office@kildwickce.uk if you are able to attend. Further details to follow.

Extra Curricular Clubs next week

A quick reminder that most clubs do not run in the first and last week of each half term. Please keep an eye here to see which clubs are running each week.

Monday	EYFS/KS1 - Ball Games with Heather KS2 - Running with Mr Whitehead
Tuesday	Year 1/2/3/4 - Music with Mr Schofield
Wednesday	EYFS/KS1 - Construction with Miss Taylor KS2 - Taekwondo with Charlotte 4:15pm finish
Thursday	All - Kanga EYFS / KS1—Dance & Gymnastics

The half term 'round up' of Summer 2 and this school year will be sent on Friday 19th July.
