Newsletter

11th September 2020

Dear Parents and Carers,

Welcome back to school and to the start of this academic year. I trust you have all had some time to rest and relax. For some it is the start of your journey with us and for some it will be the final year before you move onto pastures new. We would like to extend a warm welcome to all new parents and their families and we look forward to getting to know you over the year. Although only short, it has been a very busy and tiring week for our new Reception children.

Mr Pearson has decided to train as a teacher and we hope to see him back with us later in the year for his second and third placement. I am sure you will agree that he has been a valuable asset to school and we wish him all the best for his future teaching career! Mrs Manthorp will begin her role as leading small group 'interventions'.

I would like to take this opportunity to say a big thank you to all our parents / guardians who have brought children to school this week. Our main aim is to ensure the safety of everyone and we thank you for complying with all the guidelines put in place. This will soon become second nature to us all as we adapt to the new normal.

It has been a pleasure to see all the children's smiling faces and we could not be more proud to have them all back!

Have a great weekend!

Mr Tim Whitehead
Headteacher

11th September 2020

New starters

Thank you to all the Reception parents who have helped to settle the new children into school so well. Saying goodbye so quickly and having your child whisked away isn't easy but you have trusted us to support and comfort children when needed. They have been a pleasure to be around this week and Mrs Stoney and I are really looking forward to working with you all.

Thanks
Miss Akrigg

Miss Akrigg is available every Wednesday if you have any concerns about your child settling back into school or wish to discuss any special or additional needs you feel they may have.

You can email her at d.akrigg@kildwickce.uk

Baby News!

Congratulations to Mrs. Fordham who is expecting a baby in January. She will continue to teach Year Six- Eagles until Christmas.

The recruitment process for maternity cover will begin shortly.

Arriving at School

Please try not to arrive at school before the first arrival slot of 8:45am as the gates are not opened until then and this is causing groups of people to gather which is not in line with social distancing measures and rules.

Non Uniform Day, Friday 18th September

Fundraising for Riley

You may be aware that Chris Riley, a local barber, has recently been diagnosed with cancer. Chris is the Stepson of Mr. Hunt (Glusburn School Headteacher) who is a friend and colleague to lots of staff in school and known to some of the children as an interim Headteacher in our school. Chris is also Mrs. Chapman's nephew, who of course worked in our school and is still an important part of Kildwick. As such we would like to show our support and will be holding a non-uniform day on Friday 18th September. As Chris is a keen cyclist and sportsman we would ask that children come in sportswear if possible.

As we are trying to keep the handling of cash to a minimum, we would ask if you could make a donation via our parent pay account.

Happy Birthday

FINLAY (KINGFISHERS)
CHLOE (KINGFISHERS)

Virtual London Maraton

You may be aware that the London Marathon that was rescheduled for October will not now be going ahead in London but participants have been asked to run their own virtual marathon locally on Sunday 4th October. Mr Whitehead will be running over the local hills and trails and would be grateful for any sponsors which will be donated to Chris Riley's 'Life of Riley' fund.

Parking

Please do not park on the road around school. This is dangerous for the children, our neighbours and other road users. There are safe places to park which are only a short walk to your allocated entrances. Mr Whitehead has spoken to the landlord at the White Lion and they are very happy for parents to park there. The church car park is also available for our use.

Thank you for your support with this matter.

Friday Achievement Collective Worship

We would like to invite all parents to our Friday Achievement Collective Worship which will begin next Friday 18th September at 11am. This will be a virtual event and we will send you joining instructions in due course.

Improvements to the playground

The playground improvements are almost complete and looking fantastic. This was only made possible by the coop charities fund and through our 'grow a pound' initiative that we held in school a few years ago. Thanks everyone!.

Laptops

A message from Mr Horton
Please could all laptops / Chrome books / ipads that were on loan be returned ASAP. In the event of a local lockdown / closed bubble these will be redistributed.

Reading Books

Please could all reading books that were loaned over the summer be returned so that they can be sanitised and redistributed.

Reverse Parent Consultations

We will be holding parent consultations via email / phone during the week beginning 28th September. This will offer you an opportunity to discuss your child's learning since March and will also allow us to share our initial assessments and targets for the term ahead. Class teachers will email their availability later next week.

Before and After School Club

We are open between 7.45-9am and 3.30pm-6pm.
All information can be found using the following [link](#).
If you would like an informal discussion about the facilities then Mrs Pink is available to answer any of your questions.
Please call or email the school office.

Google Classroom

The new Google Classroom's have been set up and this will now be the main platform for accessing your child's homework. Homework will commence next week (Y6 have some homework this week).

GoogleClassroom will be used as a method of communication, particularly in Robin Class where we would normally hold half termly play and stay sessions; Miss Akrigg will make sure you see pictures of the children having fun in their setting.

Running Club

Mr Whitehead will be leading the running club on a Tuesday from 3.30-4.30pm. This will alternate between Class 3 (Kingfishers) & Class 4 (Owls) and Class 5 (Eagles).

15/09 – Class 3 / 4

22/09 – Class 5

29/09 – Class 3 / 4

6/10 – Class 5

13/10 – Class 3 / 4

20 / 10 – Class 5

Running club is £5 per half term and can be paid for via ParentPay

Parent Governor Vacancy

Dear parents,

Because one of the existing parent governors is moving to become a foundation governor, we will have a vacancy for new parent governor in September. The school will be inviting nominations from parents next term. I'd really appreciate it if you would give this some thought and consider if you would be prepared to stand as a parent governor; it can be a very rewarding role.

The governing body exists to set the strategic direction of the school, ensure the budget is well-spent and to monitor and improve school performance. as a parent you will bring an important perspective to these challenges. If you would like to ask me any questions about the role I can be contacted on: g.sands@kildwickce.uk

Any parent can put themselves forward, but it would be particularly useful to the governing body if parents who are keen to be involved in analysis of school performance data joined us, or those who have data analysis skills. We are seeking to improve the way we do this during the coming years.

Geraldine Sands
Chair of Governors

Class Awards
