22nd July 2022

Dear Parents and Carers,

It is hard to believe that another school year is almost complete. You might think it has been a 'normal year', given the wonderful experiences we have been able to share together as a school community. However, we do need to remind ourselves that it was only April 1st when Covid restrictions were lifted and as recently as January when we had a significant number of Covid cases in school.

It is worth therefore shouting from the rooftops, why this year has been so successful. Despite the ongoing challenges, there are so many successes and achievements to be proud of. I would like to take this opportunity to thank all the staff team, as without their hard work and dedication, none of this would be possible. I would also like to thank the children for their hard work and resilience and lastly my thanks go to you, as parents/carers and co-educators, for your continued support.

Throughout the year, we have seen SO many examples of our school community expressing our vision in action, Learning to Live, Living to Love and Loving to Learn. It describes our ambition not only to foster a love of learning but to live positive, productive lives where we love and respect the Earth and all that live on it!

This is also reflected in the many surveys that we have carried out this year and most recently for the overwhelmingly positive comments sent in following the end of year pupil reports.

We are extremely proud of our Year Six children who have achieved so much during their time with us at Kildwick. We say a fond farewell to them and will look forward to seeing and hearing about all the wonderful things that they get up to!

I wish you all a lovely summer break and will look forward to welcoming you back to school on Tuesday 6th September and meeting our new Reception children on the 7th September.

Mr Whitehead,

Headteacher.

Please see [website](#) for the latest update from our Chair of Governors.

Learning to Live

A message for our 2022 Year Six Leavers

We can't believe how fast time has flown and that we are saying goodbye to you already. It seems like only yesterday that we were forcing you to start using semicolons in your writing at the start of Year Six.

Class of 2022, you have been a joy to teach. We've had so much fun together and we have looked forward to every lesson. Your recent performance of Much Ado About Nothing was amazing - what a task to pull off!

You have worked so incredibly hard and should be proud of yourselves. Your SATs results impressed us all - although they didn't surprise us! We had seen how hard you had worked to make such brilliant progress.

This hard work started nearly seven years ago now when (most of you) joined us in Reception. Each year you have grown and matured to become amazing role models to the rest of the school, particularly to your own Reception buddies.

To those children who joined the Kildwick family along the way - how lucky we were to have you join our team!

Year Six - you will certainly be missed by staff and pupils alike. We will look forward to a shy wave from the corner of the playground when you come back to collect a younger sibling, or a discreet nod as we pass you on the street! I know it's hard to believe that will be the case, but trust me, it will!

We wish you the best of luck at your secondary schools, although you don't need it. Our loss is definitely their gain.

Have an amazing summer!

From Mrs Fordham and Mrs Fenlan

Learning to Live

A Poem for our 2022 Year Six Leavers

Last six hours of primary school
Goodbye is getting near
The sums and sentences all done
The full stop day is here

Last five hours of primary school
Where everything's before
The aims and games and crazes
no one's crazy for no more

Last four hours of primary school
Surrounded by a class
who'll scatter soon and not return
when summer's days have passed

Last three hours of primary school
One final lunchtime play
Instead of chasing friends we try
to chase and catch the day

Last two hours of primary school
The clock hands blur and skid
Signing shirts, remembering
the coolest things we did

Last one hour of primary school
where teachers understood
And helped me see I could achieve
for they believed I could

Last half hour of primary school
The assembly we all dread
We cannot sing - us Year Six kings
The crown slips from our heads

Last ever second of primary school
The full stop rings in our ears
But a thousand chapters left to write
We must vacate our childhood site
For time moves on and time is right -
To leave our wonder years.

Learning to Live

School Dinners

We are pleased to inform you that there will be some improvement and changes to our school dinner provision from September. We will offer a wider choice menu and more flexibility so that children can have a mix of packed lunches and school dinners in a week. We are working closely with NYCC Catering and our kitchen staff and will send a new menu to you with more information before the end of the holidays, watch this space!

NYCC Catering have advised that the cost of a school meal will be £3.00 from September.

New Vicar Installed

Mr Whitehead attended the installation service of the new vicar at St Andrew's Church on Saturday, Rev Mike Green. We extend a warm welcome from all the school community and look forward to getting to know and working with him over the coming months and years.

Healthy School Award

We have heard that our application for the Healthy Schools Silver Award has been approved. Thanks to all the hard work of the staff and children over the year to gain this award. We will be working towards Gold next year and the themes covered are: Active Lives, Emotional Health & Wellbeing; Food in Schools and Personal, Social & Health Education (including Relationships, Sex and Health Education).

Healthy Schools
North Yorkshire

Extra Curricular Clubs

We are still working on our Extra Curricular Clubs timetable for September including considering how we can ensure opportunity to access a place is fair and inclusive for all children. We will send details as soon as this has been finalised.

Learning to Live

School Games Award

Kildwick has one again been recognised for delivering high quality Physical Education and extra-curricular sport provision. Thanks to all the hard work from staff and children.

Commonwealth Games Legacy Event

Year Three, Four and Five children took part in a Commonwealth Games legacy event at Skipton Academy. They had the opportunity to take part in a Judo and gymnastics workshop followed by archery, Zorb Balling and a Nerf battle. They all had the opportunity to try something new and had a great time. More pictures on the [website](#).

Year Six Residential

Year Six had a wonderful time on residential at Bewerley Park in Nidderdale. They took part in activities such as gorge walking, scrambling, canoeing and bushcraft. It was a fantastic opportunity for the year groups to spend time enjoying each other's company before heading off to secondary school. More pictures on Google Classroom.

School Books

We have a number of missing and damaged reading and sharing books in Robins and Swallows class. Please take care of the books that we send home. If you would like to contribute towards replacing a book please do so via the "Book Replacement Contribution" payment item on ParentPay. Please remember that books should be kept inside learning packs and brought into school everyday in book bags. Thank you.

Living to Love

The Principle Trust

Year Six chose The Principle Trust as the local charity to receive funds raised in the school fun run.

The Principle Trust serve families throughout Yorkshire as well as from the local Craven area. They provide free respite holidays to children who are underprivileged, disadvantaged, disabled, have life-limiting conditions, or who have experienced poverty, trauma or abuse. Between 2011 and 2021, The Trust provided free holidays to 4100 children (3730 underprivileged/ disadvantaged and 370 disabled). The Trust owns and operates five holiday homes; 2 in the Lake District, and 3 near Blackpool. The Trust's 100% donations policy ensures every penny raised directly benefits children and their families.

PTA

We would like to thank the PTA who have worked tirelessly in their fundraising efforts for school - from Christmas activities, to the fun run, to the fantastic summer fair. We couldn't manage without their hard work and your amazing support.

This year some of the funds raised are enabling us to change the paper we use in school to Steinbeis Classic white A4 for Dyslexia, in our bid to be a dyslexia friendly school. This is also an environmentally conscious decision as the paper is carbon neutral and recycled.

Well Done Boys!

A big well done to Ralph, Seth and Rex who raised a whopping £1,690 for Save The Children to help the children of Ukraine. They cycled 28 miles on The Leeds/Liverpool Canal. What an amazing achievement and we are all very proud of you, well done!
