Newsletter

2nd July 2021

Dear Parents/Carers,

We seem to be rapidly gathering pace towards the end of term and after this week we will have just three weeks left before the end of the summer term.

There continues to be lots going on around school each and every day. The children are all working hard and I have seen some fantastic learning going on in every class. Please see these under our new vision statements.

As Y6 begin to think about their final few weeks in school, I am sure they will be reflecting on their time spent with us but also looking ahead with trepidation and excitement about what lies ahead for them. Their horizons are about to be blown wide open and how exciting is that! We are hopeful that they will be able to spend some time with their buddies before the end of term.

I am sending a link to a parental questionnaire that I would appreciate if you could fill in and return. This helps us evaluate what we do and make any necessary changes, adjustments or implement new initiatives to make our school even better! Thank you in advance for taking the time to do this!

Have a great weekend

Mr Whitehead
Headteacher

Learning to Live

Parent Questionnaire

We value your partnership and would appreciate your feedback using the link below.

Thank you in advance

Parent Questionnaire 2021

Pizza Trip

The Owls & Kingfishers will be visiting 22 The Square in Crosshills, an Italian Restaurant, on 19th & 20th July. This will be part of our Europe Geography topic, which includes a case study on the Campania region of Italy. The children will be learning how to make their own pizza.

Children will eat their lunch in school as usual and we will set off to arrive at the restaurant at 1.00pm. We will be walking to the restaurant. Children will need to wear their normal uniform and sun cream if it is hot. Children do not need to bring anything else with them on the trip.

The cost will be £8.00 per child, this is payable via Parent Pay and covers the cost of making a pizza and a scoop of ice cream.

KS2 Disco

The KS2 Disco will be taking place on Thursday 15th July

Important Dates

Monday / Tuesday 5th / 6th July – Class transition days

Wednesday 7th July – Class 5 – Outdoor and Adventurous Day

Friday 9th July – Sports Day extravaganza – Skipton Tennis Centre

Monday 12th July – Shakespeare performance – Venue and time TBC

Wednesday 14th July – Class 5 – Outdoor and Adventurous Day

Thursday 15th July - KS2 Disco

Friday 16th July – Reports to Parents

Learning to Live

Skipping

We welcomed Chris Corcoran from Skipping Schools on Monday. Each class took part in a workshop on the playground and judging by the sounds that came my way, they had a great time. I even managed a few jumps myself. School has purchased a box of skips for each class so they can practise these skills at playtimes.

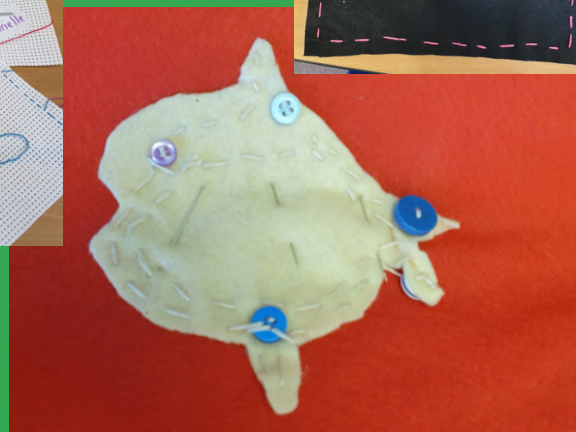

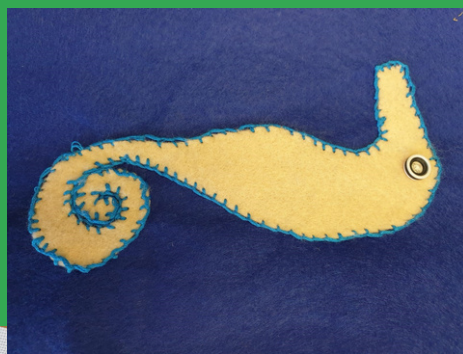

School Walking Bus

The School Walking Bus continues to go from strength to strength. We had 14 children this week and Luna the black lab in her hi viz. Thanks to the parents that volunteered to walk down with us. If you would like to be involved or drop your children off to walk down with us, then please do see the booking information on Parent Pay. We set off each Tuesday morning at 8.30am from the back entrance of Coop in Cross Hills.

Clubs this Term

I am very happy that we have been able to proceed with running extra-curricular clubs in the present climate and I know that many school have not been able to manage this. Over the term, pupils have had the opportunity to attend: art and craft club, forest school and gardening club, cooking club, Kanga sports club and running club.

July 2021

Mondays	Kanga Sports
Tuesdays	Kanga Sports / Technology
Wednesday	Running Club
Thursday	Cooking Club / Forest School

Wind Turbines & Robot Mission to Mars

Living to Love

Relationships Education

Year 4, 5 & 6 took part in some growing and changing workshops led by Lucy Allott from Coram Life Education. They found these sessions fun, informative and engaging. Lucy commented on the depth of knowledge that the children have and the great questions that were asked.

Class 2 Swallows have been learning how to care for a baby and deciding the things that they need and don't need.

Class One Robins have been learning about the Hindu Temple of worship, a Mandir. Archie inspired their learning with this lego model of a Madir.

Congratulations

We wish Mr Pearson many congratulations on his appointment as a class teacher at Bradleys Both Primary School. He will take up his appointment in September. I am sure you will agree, he has been an asset to the staff at Kildwick and we wish him all the best for this exciting new adventure.

We also wish Mr Knights all the best as he takes up a post as a teaching assistant in a nearby school. He has excelled during his placement with us and am certain he will continue in his new job.

Defibrillator fundraising – extended date to 9th July

Our final fundraiser for the defibrillator is a silent auction for this amazing bench made by Sam Kidd in Kingfishers. Please give sealed bids to class teachers by Friday 2nd July. Your bid needs to be in a sealed envelope marked 'Bench Bid' with your child's name and class on it. Please bid generously!

Birthdays

Zak H, C1

Harvey, C1

Loving to Learn

Ogden Trust

Class Three Kingfishers and Class 4 Owls have been continuing their partnership with the Ogden Trust in promoting physics. Class Four Owls took part in a wind turbine workshop where they made blades and generated electricity. Class Three Kingfishers went on a robot mission to Mars and learnt how to program them.

Class Two Swallows have enjoyed looking at houses around the world and decided if they were close to or far from the equator depending on their features. In groups they built lego houses and had to decide what climate their house was for and include features.

Shakespeare

Jess from the Shakespeare Schools Foundation has been into school this week for the second workshop working with Class 4 Owls.

End of Year Reports

You will receive your child's end of year report electronically this year and it will be sent on Friday 16th July. If you require a paper copy from us, then please get in touch following the 16th July. Thank you.

Awards

We have changed the weekly awards to align with our school vision statements. Your child's certificate will outline the reason for their award.
